## COUNSELING CENTER NEWS

By T. Turner

Greetings from the Counseling Center!

There are many scholarships coming due in March and April. Applications and information are available in the counseling center. All seniors have access to a google doc containing all of the scholarships available with due dates.

The testing windows for spring testing are as follows:

March 7—May 27	Smarter Balanced	grades 3-8
March 14—April 29	Multi-State Alternative	grades 3-8, 11
March 7—May 27	Science	grades 5, 8
March 29	ACT	11

### Here are some things to note about the state assessments:

- Your child's grades will not be impacted by their scores on the state tests.
- Your child's privacy will be protected. State and federal laws, such as the Family Educational Rights and Privacy Act (FERPA), ensure these data remain confidential.
- Students with Individual Educational Plans (IEPs), Section 504 plans, or English Learner plans will be assessed based on individual student needs, consistent with all state and federal laws and regulations.

### Here are some things you can do to help: (Smarter Balanced, Science, Alternative)

- Encourage your child to do their very best on everything they do in school, including this end-of-year state test.
- Make sure he or she gets plenty of sleep the night before each test and has a healthy breakfast.
- Support your child by explaining the purpose of the tests and helping with homework and test reviews.

### Here are some things you can do to help: (ACT)

- Encourage your child to do their very best on everything they do in school, including this assessment.
- Support your child by explaining the purpose of the test. Here are three resources to assist you and your child in preparing for this important assessment.
