

September 2018

The Fall Fracas Chess tournament kicked off the 2018-2019 season with some very competitive games.

Newcomers and returning players had a great time at Temple Israel in Viera, competing individually and as teams. Freedom 7 was the Top School, winning Top Team in three Sections.

Big thanks go out to Kristine Stone for organizing the concession stand, and to Vincent Stone for being Assistant TD and assembling the trophies.

The next tournament (the October Brouhaha) will be back at Temple Israel on Saturday, October 20th. See you all there!

Yours in chess,

Chris Bortzner
