

This Chair Makes A Great Gift

BOS 991

The Bos 991 Heavy Duty Big and Tall Office Chair has the look and feel of a luxury chair at a value minded price. The CaressoftPlus design includes breathable and durable vinyl that looks and feels like high end leather, but is a lot easier to care for. The chair design includes double plush foam cushions and a built in lumbar support curve. Multiple adjustment points and a heavy duty steel base are standard with Bos 991 Office Chair. This design is rated for up to 350 pounds.
