

Sons of the American Revolution

The National Society of the Sons of the American Revolution is an organization of over 34,833 male descendants of those Patriots who served in uniform during the Revolutionary War or who rendered material aid to the founding of the United States of American during the Revolutionary period.

Today the S.A.R. consists of 50 State and the District of Columbia Societies with more than 500 Local or Regional Chapters within the states.

The S.A.R. was Organized in 1889 and Chartered by Congress in 1906. It is founded on a firm commitment to the values of individual human liberty and dignity that inspired our Founding Fathers.

The objects of the Society are declared to be patriotic, historical, and educational.

In today's world there is a growing and grave need to reaffirm and revitalize those values on which the United States of America was established.

The S.A.R. welcomes inquiries and applications for membership. While voting membership in the S.A.R. is for adults 18 years of age and older, eligible youth may Register their lineage for future membership, may become a youth member, or may join a Chapter of the Children of the American Revolution, and transfer to the S.A.R. upon reaching adulthood.
