Mabels Labels

Masterpiece has joined Mabels Labels to do Fundraising for school supplies. We are excited for this fundraiser because it won't be time consuming and is beneficial to our Parents. Labeling can be tricky and washing off masking tape residue is not fun. With these labels, all of your child's belongings can be labeled for school.

(Especially with every child bringing in their own foods starting in February 2020, this will be helpful that containers and belongings do not get mixed up.)

Look for our name, under SUPPORT A FUNDRAISER:

We have also included a COUPON CODE: MASTERPIECE10
