BUSN10177 – CPIM Part 1

Previously known as Basics of Supply Chain Management, this nine-week course supports you in preparation for the Part 1 (of two) certification exam. This course is comprised of four parts (i.e., Business Wide Concepts, Demand Management, Transformation of Demand into Supply, and Supply). Please note that Students will need to purchase the CPIM Learning System Kit separately and directly from the APICS website at www.APICS.org (\$395 USD for APICS Plus members).

BUSN10179– Certified Supply Chain Professional (CSCP)

This thirteen-week course supports you in preparation for the CSCP certification exam. The APICS CSCP designation is the most widely recognized educational program designed for operations and supply chain management professionals around the world. Demonstrate your mastery of end-to-end supply chain management best practices by earning your APICS CSCP designation. Please note that Students will need to purchase the CSCP Learning System Kit separately and directly from the APICS website at www.APICS.org (\$995 USD for APICS Plus members).
