2012 Landscaping Plans

During our spring landscape work this year, many of the planting strips located between the entrance sidewalk and the brick garage wall are being cleared of plant material and mulch, and will be replanted with suitable ground cover plants. You may notice that some of these areas are prepared for plants while some have only been trimmed. The ones which were trimmed will be addressed, as well as all the others, during the mulching which is scheduled to be complete within the next two weeks. Our mulching will include all 'front door' mulch areas, entrance areas, trees and other areas as needed.

This does not address all the areas of over growth, or all the areas which have been over mulched, but subsequent areas will be reworked as time, schedules and budget allows during the upcoming summer and fall seasons and continues into 2013.

Remember the first special assessment payment is due by the end of June. Special assessments will not be deducted from residents who have signed up to have fees withdrawn monthly. Checks should be made payable to Pinnacle Gardens and sent to KY Realty at 3944 Bardstown Road Louisville KY 40218.

Pinnacle Gardens Residents Getting to know your neighbors

We are planning several social events for the rest of the year which will give our residents opportunity to get to know one another.

-The first Social Hour event will be at Teresa Good's place (13500) on June 20th at 7:00 pm. BYOB and bring an appetizer or finger food to share. Please be aware that Teresa has 2 beautiful cats.

Other events are:

- July 18th Social Hour at Sandy's place (13618)
- Aug 15th Social Hour at Joe's place (3410)
- Sept 15- Community Picnic-more information to come
- Oct. 17th at Nancy's place (3420)
- Christmas Open House- more information to come.

We have decided to skip the yard sale this year, but will do it again in 2013.

Thought for the day!

PINNACLE GARDENS HOA FEE

The members of the Pinnacle Gardens HOA board of directors are also residents as prescribed in the governing documents and serve as board members voluntarily. The HOA is a not-for-profit organization, and as such, HOA fees are never raised in order to increase profits as for-profit businesses might do, but are raised when/if it becomes necessary to meet the financial obligations of the association, and provide for the association's financial needs as required by law.

HOA fees include, but are not limited to:

- Water & sewer to every resident.
- Weekly trash collection.
- Insurance on each building (exterior).
- Mowing, trimming, and ornamental plant trimming and replacement, as well as tree maintenance.
- Exterior building maintenance.
- Roadway and driveway maintenance.
- Maintenance of all common area mulched areas.
- Reserve account payments to provide for future repairs as required by law.
- Other approved expenses incurred by the association to conduct association business.

Never are fees increased in order to increase profits, there are no profits as all money is used to benefit of all residents. The collection of HOA fees insures that the common areas are mowed, trimmed and maintained to the best ability of the association, trash collected, water bill paid for each unit, exterior insurance on each building, and future roof, road, sewer, and other building maintenance requirements can be met now and in the future. This, in the long run, helps to keep property values high, and provide a clean and well maintained property for all to enjoy.

As volunteers, the members of the board have only the best interests of all residents at the center of all discussions, including those that revolve around the HOA fee structure. Board members, even as volunteers, must adhere to organizational documents as well as local and state laws regarding the collection and expenditure of all money collected.

In this regard, the board is obligated to set fees at a rate that will allow the association to pay all it's bills. The association is also obligated to take any measure necessary to attempt to collect the legal, fair and reasonable fees as prescribed to keep the business of the association up to date on all it's obligations. There are several actions the board may have to take to insure that each resident meets their individual obligation to pay the HOA fees which are agreed to when becoming a member of the Pinnacle Gardens Condo Association by purchasing and/or establishing residence in a property at Pinnacle Gardens.

The HOA board would hope to resolve non-payment or delinquent payments of HOA fees by simply sending a letter of reminder and request to a delinquent resident and establishing a payment plan. This sometimes is not successful, and at that point a lien may need to be placed against the property to insure the fees are recovered at the time of sale. In the most extreme situation, a foreclosure process may be initiated to insure that all residents are protected and only have to pay a fair share.

Please help us keep our community looking nice by picking up after your pet. We are in the process of revising our rules and regulations and this will be a fineable offense.

There is an ordinance in Jefferson County that requires all pets be on a leash and each pet owner is responsible for cleaning up after their pet. If you witness owners violating this ordinance you may contact Jefferson County Animal Control via Metro Call 311.

Please remember that our master deed states that all window coverings (front and back) which are visible from the outside shall be a white color. Please help us keep our community looking nice by obeying the master deed. Also please replace broken blinds.

Any resident witnessing the flashing light going off at our pumping station can call Zaring Septic at 241-8080. We have a contract with them and they will come out and make the necessary repairs.

WE ARE IN THE PROCESS OF REWRITING OUR RULES AND REGULATIONS AND RE-EVALUATING WHAT WILL BE ALLOWED AND NOT ALLOWED. REMEMBER ALL IMPROVEMENTS MUST BE APPROVED BY THE BOARD. THERE IS A GROUNDS/LANDSCAPING/ARCHITECTURAL DESIGN REPLACEMENT/REQUEST FORM ON OUR WEBSITE AT [HTTP://PINNACLEGARDENS.ORG](http://PINNACLEGARDENS.ORG)

No parking is allowed on the streets. Please inform your visitors to park in a parking space, reserving handicap parking for our residents and visitors who need it. Owners who see vehicles parked on the streets may call A&A Towing and have the vehicles removed. Their phone number is 502-551-7651. No charges will be billed to the homeowner placing the call to have the car towed.
