Service Council Committee Report
2020-2021**

Committee Name:	Student Development
Committee Chair/Co-Chairs:	Jasmine Torres & Leo Villalobos
Committee Members (if any):	Horacio Aceves Lidia Alfaro Eva Angeles Vrisa Dominguez Sergio Galvez Luis Garcia Victoria Garcia Stephanie Gonzalez Fernando Marquez Laura Orozco Katherine Peña Jennifer Perez-Roblero Silvia Rashad Joanna Ruiz Temo Solorio
Committee Description:	
<p>Provide leadership development and service opportunities for all SoCal TRIO program participants. The Student Development Committee is responsible for coordinating and implementing student development opportunities for TRIO and educational equity and access program participants within the WESTOP SoCal Chapter. This committee is charged with coordinating and executing the chapter's Annual Student Leadership Conference and TRIO Day of Service.</p>	

Committee Goals & Priorities
<p>The priority for the 2020-2021 Student Development Committee is to offer a virtual experience at this year's Student Leadership Conference (SLC) so that students can participate in a socially distant method for their health and safety and to maintain a WESTOP SoCal Chapter presence among all TRIO and educational equity and access programs</p> <p>In keeping with the tradition of SLC, our committee is working hard in order to provide students an opportunity to come together in community, develop their learning, add to their skillset, and to maintain our ability to offer scholarships and student project prizes in order to support student financial needs. We hope to offer this virtual experience to 400 student participants.</p>

Committee Updates

Updates as of 3/1/2021

- The event will take place Saturday, April 24, 2021 from 10am-2pm virtually
- Registration is now Open
 - SLC Website: <http://www.westopsocal.org/slc-2021.html>
 - Early Bird is \$60 and regular price is \$75
 - Please note that the cost to offer a comprehensive virtual conference has been substantial due to the cost of food cards being higher than previous food costs, maintaining a “swag bag” that must be mailed to each participant, maintaining our scholarships, and the technology associated with a virtual conference; moreover, given that the cancellation of last year’s conference did not yield any income the committee has decided on the conference registration prices above.
- Call for Presenters has gone out – Please share your wisdom & knowledge with our students! The deadline has been extended to March 22.
- Morning Keynote has been secured, and Lunch Keynote is being finalized – news to come!
- Woven Learning has reached out for a partnership, and more info will be available on 3/2/2021 – We will provide an update at the chapter meeting.
- Scholarship is Open and due April 2 – Please recommend a student! (1 per program per voting member)
