

Electrician

- Barrie, ON, Canada
- Full-time

Company Description

Matrix is a full service staffing firm providing professional recruitment solutions for a wide variety of careers.

Job Description

We are looking for an Electrician to join our client's team. You will be required to execute plans of electrical wiring for well functioning lighting, intercom and other electrical systems. Due to the high amount of risk pertaining to this job, electricians must be first and foremost responsible individuals with great attention to safety precautions.

The ideal candidate must also be experienced in different kinds of electrical devices and systems. The goal will be to produce and maintain well functioning electrical connections to minimize the probability of accidents and maximize usability of electricity in all facilities.

Responsibilities:

- Installing electrical apparatus, fixtures and equipment for alarm and other systems
- Install safety and distribution components (e.g. switches, resistors, circuit-breaker panels etc.)
- Connect wiring in electrical circuits and networks ensuring compatibility of components
- Prepare and assemble conduits and connect wiring through them

- Prevent breakdown of systems by routinely inspecting and replacing old wiring and insulated cables, cleaning circuits etc.
- Perform effective troubleshooting to identify hazards or malfunctions and repair or substitute damaged units

Qualifications

- Proven experience as an Electrician
- Experience in residential, industrial and/or commercial electrical systems
- Demonstrable ability to use electrical and hand tools (e.g. wire strippers, voltmeter etc.) and electrical drawings and blueprints
- Thorough knowledge of safety procedures and legal regulations and guidelines
- Excellent critical thinking and problem-solving ability
- Diploma in relevant vocational training or successfully completed apprenticeship as an electrician
