## 2019 WSMA Fundraising Banquet by Mike Moran

*"Happy birthday to you. Happy birthday to you,  
Happy Birthday dear Bob, Happy birthday to you."*

This year's fundraising banquet for the WA State Muzzleloader's Association happened to fall on Bob Tresch's birthday, so after the Pledge of Allegiance and a blessing by Bill Daly, we wished Bob a happy 85<sup>th</sup>. We had 116 singers in attendance at the Tacoma Sportsmen's Club and it filled the hall with joy. The banquet was held on Saturday, March 23<sup>rd</sup>, 2019.

A small crew was on hand early in the day to get things set up and ready. Cindy Riggs and Renita Foust prepared all the food again this year, putting on a wonderful Italian meal of lasagna, chick pea salad, and a variety of breads. Kathy "Smokin'" Vanarsdale made the hors d'oeuvres and desserts. She also set the head table. "Set" is really an understatement, she created a work of art, and the folks from the Bremerton Brigade thoroughly enjoyed sitting at it this year. Several of the ladies from Women's Primitive Skills and several WSMA board members were on hand to set up

tables, decorate, and help run the event.

The success of this event is a direct result of the generosity of our members and traders who donate the items for the auction. A majority of the items come from the traders at the Gun Show in Monroe, which is hosted by the Cascade Mountain Men. Jerry Jazbec is the President of that fine club and he continues the longstanding relationship and support between the CMM gun show and the WSMA banquet. We even picked up a few new traders as WSMA members at the show. Another great organization is the Bremerton Brigade, whose members not only prepared the meal this year, but the Brigade picked up all the food costs. And we should never forget the very talented local craftsmen who make and donate such wonderful things that support our cause.

Happy hour got started at 5:00 and so did the fun and games. Don Freelove and Jayme Haeckel ran the Dice Game, where you got six rolls to see how many "sixes" you could accumulate. The prize this year was a very nice .44 cal A. Hunkler percussion pistol. By the end of the night we had a tie between Doug "Bad Wind" Kitchens and Terry Gadberry, each with a score of 10 sixes. A tie breaking roll was conducted and Terry took home the pistol. While that was going on Bill Daly was hawking his playing cards for a chance at the Rifle Raffle. This year's prize was a .54 cal half stock percussion rifle. Bill likes to conduct "raffle aerobics" where everyone with a card stands up, then he starts whittling down the competitors until only one remains with the other half of the winning playing card. This year it would go to Mike Moran.

At 6:00 pm sharp dinner was ready, so after the pledge and the blessing we made our way to the serving lines. The head table always goes first, and although it was hard for them to pull themselves away from their own special hors d'oeuvres and drinks, they made their way up. Cindy had

**Karla Hillberg, Renita Foust, and Cindy Riggs preparing the meal**

requested that we go table by table so there would not be a big crowd at the serving lines, and surprisingly everyone complied, which is unusual when such good food is being served. While everyone ate and the games continued, Mike Moran, the WSMA President, talked about the good year the organization has had, introduced the new board members (which look astonishingly like the old board members) and stated that once again we were able to give over \$4,500 in support of Youth Grants. Steve Hohnstein, one of the WSMA Directors, brought the WPS ladies up and presented them with a check for \$200 to sponsor four women to their women-only rendezvous. That brings us to the auction.

Mark Curtis called the bids again this year as auctioneer and kept the party going for the next two hours. There were too many nice items to list all of them, but there were a few that stood out. Steve Skillman had a nice scrimshawed horn with a Liberty motif, Smokin' donated a leather

dress and moccasins she'd made, Bill Gruner from Velent's Forge donated an .85 cal swivel cannon, and there was also a very nice rifle made by Tim Sampson for Dave Perry, who passed away last year.

Through everyone's generosity, we will again be able to support all of our Youth Grant requests to keep those young folks interested in the joys of muzzleloading. Thanks to all who attended and helped make this a very successful, fun event again this year. Our reservation is in for Saturday, March 28<sup>th</sup>, 2020 so mark your calendars for next year.

## Membership Renewals

Our membership year ends on December 31<sup>st</sup>, so it's time to renew. Our by-laws allow a 90 day grace period and many folks take advantage of that and pay at the CMM gun show when they buy their Banquet Tickets. But why wait? It's as easy as filling out the renewal form and popping it in the mail. Renewal costs remain the same: \$10 for individuals, \$15 for families, and \$20 for traders. There are a number of you who have missed renewing last year and some the year before that. Let's get things up to date.
