Athletic Director Welcome

Cedarburg High School co-curricular activities are an important component of Cedarburg's curriculum. While, first and foremost, our mission is to provide a sound academic experience for our students, athletics is an important extension of the classroom and is designed to further the educational development of young men and women.

We at Cedarburg High School believe that the commitment, dedication and respect that athletic participation fosters will serve as a foundation for student growth and life-long learning. A major focus of our athletics program is to assist our student athletes, developing life skills to help them become productive members of society.

We at Cedarburg High School, feel these contributions to the overall development of our young men and women is vital, and we are very fortunate to have dedicated and decorated coaches leading our student-athletes as well as a strong network of support from our community, staff, alumni, and parents. The cooperative spirit makes the Bulldog experience second to none.

Cedarburg High School strives to be a premier athletics program in Wisconsin. Coaches know their players as individuals and support them and mentor them, matching the exceptional experience in CHS classrooms. We offer high-caliber educational opportunities at practices and sporting events to match what is accomplished in the classroom. We pride ourselves for having scholar-athletes, and we are honored by their achievements after high school.

Student-athletes, coaches and parents are all expected to demonstrate good sportsmanship, community involvement and excellent conduct. As the public holds student athletes to a higher standard of our stakeholders, we must model good judgment and maintain a positive perspective. Success and pride will come from competing the right way. Though athletic success is often measured by wins and losses, Cedarburg High School takes the most pride in the valuable life lessons that student athletes learn. I am humbled by the opportunity to serve you and hope that your experience is successful and enjoyable.

Go Bulldogs!

CHS School Song

When our colors fly from our banners high,
We'll be there to guide the way.
When the Bulldogs fight with their main and might,
We will follow them day by day.
With a thousand voices, we chant our praises
As true defenders of the orange and black.
For the sun can't set on our greatness yet.
That's the boast of C.H.S.

THE BIG PICTURE; FRAMED BY GOOD SPORTSMANSHIP

Athletic events are learning experiences for student-athletes. Some audiences may forget that high school athletes have not reached mature physical performance, so errors can be expected. Good sportsmanship applies as much to athletes as it does to parents and all spectators. Good sportsmanship results when participants and spectators:

- Show respect for the opposing players, coaches, fans and support groups and treat them as they would treat a guest in their own home.
- Respect the integrity and judgment of game officials. Understand that officials are doing their best to help promote the student-athlete and admire their willingness to participate in full view of the public.
- Remember that they are at a contest to support and cheer for their team and to enjoy the skill and competition, not to intimidate or ridicule the other team and its fans.
- Remember that interscholastic athletics are learning experiences for students and that mistakes are sometimes made. Praise student athletes as they attempt to improve themselves as students, as athletes and as people just as one would praise a student working in the classroom.
- Learn the rules of the game so they understand and appreciate why certain situations take place.
- Remember that a ticket to an interscholastic athletic event is a privilege to observe the contest, not a license to verbally assault others and be obnoxious.
- Refrain from taunting or making any kind of derogatory remarks to opponents during the game.
- Recognize and show appreciation for an outstanding play by either team.
- Use only those cheers that support and uplift the teams involved.
- Appreciate and support the efforts of school and league administrators to emphasize the benefits of educational athletics and the role of good sportsmanship.
- Are positive behavior role models through their own actions and by censuring those around them at events where behavior is unbecoming.

**THANK YOU FOR
SUPPORTING ALL COACHES
AND STUDENT ATHLETES.**
