

# 2018 MIWW Workshop

## Flat Needle Felting with Wool

**Join us for the 2018 MIWW Workshop ~ Needle Felting with Wool**  
**Saturday, September 29, 2018 from 1:00 to 3:30 pm**  
**First Lutheran Church, Brookings, SD**

The 2018 MIWW Workshop is sponsored by the SD SheepGrowers Association and SD MIWW and is open to all ages.

The class will be led by artists from the Brookings Fiber Arts Guild. The class is designed for ages 8 to adult and will teach the basics of flat needle felting on wool fabric with wool roving & yarn.  
*Google “flat needle felting” to get an idea of our workshop!*

The class fee is \$10 each, and includes instruction, needle-felting tool, wool background fabric, wool roving & wool yarn, and a foam working surface. Younger participants should have an adult helper working with them as needles are very sharp and brittle, and require focus to work safely.

For participants who would like to continue needle felting at home, one-of-a-kind SDSU Signature bunny kits will be available for purchase for \$15.

Bunny kits include a soft, plush 16” stuffed bunny, and unique bunny clothing for needle felting embellishments.

Additional fun trims (buttons, pins, etc.) will also be available to add to your bunny’s outfit.

*All proceeds from the needle felting Bunny kits will be donated to the SDSU Signature Wool Project Scholarship fund.*

Please pre-register for the MIWW Needle Felting Workshop ~  
as space is limited to 30 participants.

Come have fun with us and learn a new creative fiber arts technique!
