Sgt. At Arms Claudia Thompson: Her report is on page 44. She thanked Peg Morgan, Debra Reed, Carol Ahmad, Darlene Linnell and Viola Jones for their help as pages.

Executive Secretary Jerri Devoll: Her report is on page 55. She talked about the Department's e-mail being hacked in May. She said she would never ask for a favor through e-mail, she would call. The Department's e-mail has changed to Execsecyfl@gmail.com. Linda Card, the lady who take care of our database is helping me to get all of the contacts back. She put cards asking for the Presidents, membership chairman and SEC's e-mail addresses that I do not have in the packets. If you didn't get a card it means that I have your information.

We only had 1 Auxiliary that did not revalidate by the deadline. Great job!

A problem we are having right now is that some of the membership chairman are abbreviating the city and not putting FL and zip code on the forms. If you cannot print small and legible; type the form. National does not know the names of all of the towns and cities in Florida and it is not up to the Executive Secretary to chase down that information.

We are having a problem with the 990's. What is needed is the Electronic Notice (E Postcard). It says this on top of the page and she needs 2 copies. What she doesn't need is the submission or confirmation page. The deadline for you to have your 990's to Headquarters is September 15. If not your Auxiliary will not be in good standing. Please help her when she sends something back to you or calls and asks for more information; She would like to hear back within 48 hours. If ignored you will get everything back in the mail. If information is missing National will only send it back, thus causing delays. All forms are on the Department website at amvetsauxfl.org. There are cards in your packets that tells you how to type on the forms that are on the website but you must download them to your computer first.

The recap information box must be filled in for that D&R; do not total pages on the first page if you have more than 1 page The total does not mean the amount of your check, it is the total number of members you are sending in on that D&R. Do not forget to enter the date at the top of the box.

Recording Secretary PDP DonnaJeanne Hakler: Her report is on page 56.

The attendance sheets for the President's Council and SEC Council need to be turned into PDP Karen Powers. The Gaveliers then passed out their awards to the Presidents and SEC women for perfect attendance during the past year.

PDP Karen Powers made a motion to donate \$500.00 to the Junior AMVETS toward their National Convention (Kentucky) in August, 2019, second by PNP Evelyn McElvin, Motion carried

Sandy Polite asked for a point of personal privilege. She thanked us for the showing of love over the past three years. Her Kidney transplant was August 3, 2018, 10 months ago. She said that if she had offended anyone during the past years to please forgive her. She recognized one special person to her, Claudia Thompson who had volunteered to donate to her but couldn't but came and stayed with her to help. She asked that we keep her in our prayers during her time of recovery.

Quartermaster Report - Natalie Cartagena Her report is on page 57. She stated that she had \$3,192.00 in sales on Friday and \$944.00 on Saturday for a total of \$4,136.00 for the Convention. She added to her report that if we would like to order any special sizes or colors for any styles that we have to please send her a request before the 1st of July so that she can add it to her next order. She can set your order aside until the October SEC or you can send her a check for your items plus shipping and she will send it to you.

She thanked Madam President for allowing her to be on her team and to work with all of the Department Officers. She also thanked her helpers, Toni Plemmons and Marie Roberts from Auxiliary 422.

Convention Chair Report – PDP Mary Lou Maslo – She reported that the joint raffle for the cooler made \$345.00. They are starting a budget for next year. She said that the Patron's Page made \$165.00, the Raffles made \$273.00 and the 50/50 made \$794.00 for a total of \$1,232.00. She said that Auxiliary

35 had the most participants for the Patron's page. She thanked all those who had helped her with all of the different things that had to be done for the Convention.

NOTE: President Marecek then announced the Woman of the Year as Tina Bond from Auxiliary 777 for those members who were not in attendance at the banquet. She said that unfortunately all that had applied to Auxiliary of the Year had been disqualified so there was no winner.

Honors and Award Chairman PNP Evelyn McElvin congratulated all of the award winners. Her report is on page 62. She stated that she hoped everyone had a good time with the awards, Hollywood Style. The entries for the awards are all in the back of the room and each Auxiliary should pick up their entries.

Department Officers Training – PNP Charlene Kee: She announced that the Department Officers training would take place at the Double Tree in Gainesville on July 12, 13, and 14. There will be a brief meeting after the election regarding this matter and all officers are asked to attend.

Ways and Means: District II did Ways and Means for the Convention and they raised \$235.00.

Grievance Committee Chair PDP Dee Baggett stated that she had no report in the book but that everyone needs to think about it when filing a grievance. She said “Don't make it personal”. Everyone should read the National Constitution, Page 18 and they can find it on the National Website AMVETSAux.org. Go under publications and you will find it. There have been changes made every August over the last few years so think you have the proper procedure if the paperwork you have is a few years old.

PNP Charlene Kee then said that the grievance procedure should NOT be put in any local by-laws. You should just put a reference in them and refer to the National Constitution for any grievance.

Appeals Chair PDP Gloria Jasinski reported that there had been no appeals this year. She reminded us that if there is an appeal from the Local level it comes to Department not National. If it is sent to National they will just refer it back to the Department.

Bushnell Cemetery Rep Claudia Thompson: Her report is on page 66 and stated it has been on honor to serve as our representative. She again was given the honor to lead the Pledge of Allegiance at Bushnell Cemetery for an event.
