Volume #1 Published Monthly

From the President's Desk:

The next club work detail will be Saturday, April 15th from 9:00 am until 12:00 pm. We had snow on the ground for our March effort so we have a lot of work to do to get caught up. We really need a good turnout. Please make a serious effort to attend.

If you still have tickets for the May cash raffle they must be turned in by April 30th. It is probably best to bring them to the next membership meeting. If you miss me there call me or text me to make arrangements. 717-586-5561 or hkbrrt@verizon.net

The ranges will be closed: April 28th from 5:00 pm until dusk, April 29th all day, and April 30th until about 4:00 pm for the PA State 3 GN Championship. May 13th all day for the Kid's Fishing Derby. May 21st until about 4:00 for the monthly 3 gun match.

The board has approved two by-law changes which will be voted on as part of the official ballot at the May election:

1. We would like to simplify the dues structure for people joining the club. The current by-laws call for adding time to the membership and pro-rating the current year's dues. The proposed bylaw would make the cost of joining our club \$185 (\$110 dues and \$75 initiation) all year long. The cost of the dues would not be changed for current or joining members, we would just do away with adding time and the cost associated with it. The current system is just overly complicated.

2. We would like to change the requirement of having a minimum of 8 people to run for 4 director positions to having a minimum of 4 people to run. There would still be no maximum. The reason for this is that it is very hard to find 8 people to run.

The club is sponsoring the Red Lion Outdoor Show being held at the Red Lion Fire Department on Saturday, April 22nd from 9:00 am until 4:00 pm. Admission is free so please stop by. If you have some time you can help John man the club's table for a while and greet potential new members and say hello to current ones. It's good to be seen in our own backyard.

There are new backstops on the rifle range at 50 and 75 yards for sighting in slugs, muzzleloaders, handguns, and even rifles. Please keep your targets low and directly in front of them and shoot downrange into them, not across the range. If you use a bench for them be sure to use #15 only. We do not want rounds impacting the side berms.

Thanks, Howard

Scholarship Application:

Applications are due on May 29th. All applications must be postmarked before this date. Please use the website www.yorkiwla.org to get the application and qualifications for the student. Applications can be found under the Phillip Stinger Memorial Scholarship.

Juniors:

Go Green in the City is York City's Earth Day celebration. Our plans are to sell selling our Blue Bird Boxes, Mason Bee houses and flowers. Go Green in the City is Saturday, April 22 from 10am to 3pm. The street fair will take place on North Beaver Street and North Pershing Avenue in downtown York.

Don't forget to renew your Junior membership. **Only about ½ have been returned so far! ANNUAL DUES are \$5.00.**

Conservation Camp is back. The week long camp is planned for mid-July. It is open to youth from ages 12 to 16. If you are interested please see Mr. Ted for an application.

Fundraising:

Since our club is no different from most clubs, in that fundraisers are always helpful to advance our agenda, this is a new variation on that theme. Hershey Park has a volunteer program to where designated individuals can work at the park for up to 8 hours with some compensation accruing to the club for services rendered. Said volunteers will earn up to 3 vouchers redeemable for free park admission on a later date. So this is a win-win. Call club President Howard to get signed up!

New Members:

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
