

HANDS CARE

YJ-420

ALCOHOL SANITIZER - LIQUID - 70% Alcohol

- ✓ Water-free.
- ✓ Eliminates bad odours.
- ✓ 70% alcohol.

WHAT IT IS FOR

Hydro-alcoholic liquid for frequent hand washing without using water. In just a few seconds it sanitizes and eliminates bad odours, leaving the skin soft and moisturized. Can be used for disinfecting surfaces.

RECOMMENDED DOSAGE

Ready-to-use product.

USE

Hands:

Pour a small amount of product directly on the palm of the hand, then rub hands together while trying to reach all parts of the hands until the product becomes totally absorbed.

Surfaces:

Spray YJ-420L onto surface, wait a few seconds and wipe with tissue paper.
