

Sheboygan County YMCA Endowment Trust
Investing in Our Future

From the Desk of
Henry Jung

Thursday, June 10th

Dear Allen,

On two different occasions
I've seen articles recognizing
your teaching accomplishments.

I've often reflected back to
the early days when we planned
the concept of "Teens for Literacy"
Indeed the program has withstood
the test of time, the benefactors
being the countless number of
volunteers, students, and
recipients of the program.

I enjoyed being a part of the
experience. Keep up the good
work.

Sincerely,

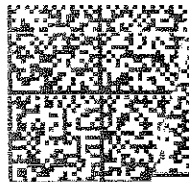

Henry Jung
