

Dear Parents and Gaurdians,

Attached is the 2017 STEM Fair interest form! We think this will be a wonderful day of learning and fun! If you could encourage your students to participate and/or attend we would be so grateful! **The class with the highest participation will receive an indoor recess item of their choice!** Below is a list of the fun we will be having!

- Make and Take stations
- First Lego League will be demonstrating EV3 and Lego Mindstorm projects
- A preschool area for little siblings
- Student projects will be displayed to amaze
- All participating scientists receive a certificate and medal!

Thank you again!
Sandy Suski and Kelley Broecker
