areas, in no low, in no angle or circumference or any way shape or form in no place, in no things,

Chreations, Makings, Esistence, or any time or esistence to come.

Devels

Some of the devels are also the Cipriani, the Geneses, the Cesare, the Series such as: The Commissioner, the Compiler, the Attacher, Jacinth, the Counsellor, the Joiner, the planner, the Stitcher, the Originator, the decomposer, the decommissioner, the decompiler and more. The devels went into my computer and removed the information I have written for this paragraph and I have to recreate it the best way I can.

All of the devels are all Close “nits”. You are all in the giganaminous, naminous, naminous, naminous, naminous Gazilliantaminous, taminous, taminious, taminous, taminious, Thrillianth Degreezes and beyond “Tightly Clad” Man Batty Business. You are all DEAD. You are OVER. You are the true “BOMB”. Batty Over Man Business or Batty Over the Man Business.

Deceiving Devels

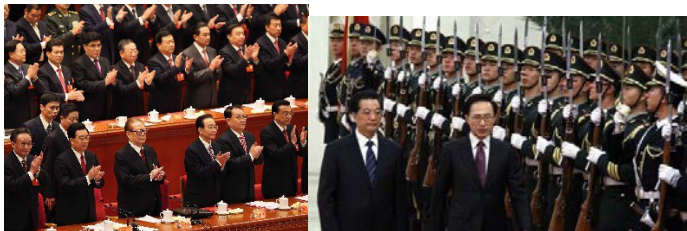

Look into all the States or Countries USA, Europe, China, Korea, Russia, Germany, Middle East, Africa, and you will see the tightly clad military, army, militias, and others who have turned against themselves, and each other: brothers killing brothers, man destroying woman, brothers terrorizing brothers, brothers cutting out brothers. They are all in the “Man Man Business” and are all Frounsy Batty Shits. Below are some of the States Leaders.

European Parliament/Presidents

North Korea President Kim Jong Un and nuclear weapon display

China leaders along with Xi Jinping President

USA Congress and Senators

Morocco Parliament

Angola General Assembly

Members of the Russian Parliament

Kenya Parliament

The Military Existence

The Military is not government, it is not State, it is not city, it is not town, it is not county it is not municipal. The military is privately funded by all Presidents and leaders of a State or country illegally with my money to kill my children. The military are trained to kill and to obey the orders of the president whatever that order is, they carry it out. The military tear down everything and anything. The military are the millipede insects who tear it (mili-tear-e). The insect presidents have ordered the military to tear up and down my Earths and chreations. The military go away for one, two, three, and more years from their families, while they travel out of the Earth, living illegally in my chreations areas, killing, torturing, terroring, destroying my children, my property, and tearing down my chreations outside the Earths. They travel many distances, levels, and elevations, that they are never to go into, but they are under the order of the president or the country leader that they must obey.

All members of the armed force or law enforcement are military. All police are forms of military. The secret service is a form of military. All Homeland Security, Federal Bureau of Investigations (FBI), Secret Service, and TSA are forms of military. If you taste the military food that is in the can, it does not have any spice, seasoning, and very little oil if any. That is because the food must not be nutritious and must not have any protection in it, so the devel insects can get inside of the military workers so the devels can control their head, hands, and feet. The military must never be in charge of anything or anyone, no matter how bad it is.

The Military are taught to fight, to kill and to destroy. The military are trained to tear down anything and anyone. The military know that you have inner selves. They are trained to get

inside your bodies and to tear you down on the inside and to remove your body protection and to put many strings and attachment inside your body, so the others outside can get to control you both inside and outside. The military put many fiber strings inside your body that almost look like a web and it connect from your head to your fingers, breasts, toes and private parts like your cocky, pussy and your internal organs that connects to your bottom. They can prevent you from passing your feces or shit when you need to do so. They can prevent you from seeing things the normal way and make your eyes blurry. They can prevent your earing from operating in the normal way and can open your hearing, so you hear them and others. When they tear down your body, you feel the sting, pinch, biting, chewing, burning, and the scratching even the smallest of hairs on your face or skin you can feel them pulling strings across it so you scratch or irritated.

The military go into your body with many others to use your hands and feet to fight and to use your mouth to create conflict with others and you do not know that your brain and speech is controlled by them. The military instigate wars as the devel insect like terror and death, hunger, lack, and like when things are torn down and decaying. The military and many others planned wars, terrors, killings, even on their own relative, siblings or parents if the insects want that to be done. The military kill for the sake of killing and they work with the newspapers, TV reporters in doing their wicked acts and in reporting what they want you to hear. The TVs and newspaper help them to kill, tear down, terror, destroy and they plan attacks on a person, a community, a town, a state, a country or outside the Earth chreations. The killings like the Nicole Simpson, Ron Goldman/OJ Simpson case of the past is something that the military can carry out, as it is brutal, it needs a lot of strong manpower, no one can fit the pieces together, and it cannot be explained. The military also use the incondesant covering to go around killing my children to give the police, the newspaper, TV reporters, Court system, the attorneys, the hospitals, the morgues, the coroners, the records office, the funeral parlors, and banks and financial institutions, work to do. All of these are controlled by the insect devels and works of wickednesses.

The military are the inurrectioners and they waste my money and my time. They control the time, they cut the time away from us, and they rush us to get things done in their short-timeframe. All the military does is to go on advance training of wickednesses. They get higher and higher into saucery as they go deeper and deeper into the works of the devel. The military they do a lot of children playing and horse playing to pass time, as they have no real work to do only to kill and destroy.

I am not able to do my work as the military and other federals are terroying me. I can't even eat any food as the terror gets higher and higher and these documents are to be worked on, but they are killing me by the second every day. They abuse my money. I don't even have money to buy basic necessities or food. I am not able to pay my mortgage and my espenses, but they can waste my money while my children live in lack.

The military came into my house on November 6, 2016 and they tore down my roof and they walked through the paper walls the government allows the builders to use in building the homes.

They walked in the air in my home like they are walking on step, and they wear shoe like skating shoes with silver looking blades that cuts through anything, and they put many sorcery objects and sorcery insects in my home. They pulled down my computer from off the stand and crashed it, and they put purple liquid inside my computer and tore the glass and inside out. They put a three-sided box over my torn-up computer. I told them I did not give them permission to put things in my home, so they are to remove it, and they did not. They tore up my computer I just bought last year and destroyed my home.

The military, Police, Secret Service, must never be allowed to run the airports, airplanes, ships, boats, submarines, trains, buses, schools, banks, TV, newspapers, physician office, hospitals, leadership of any sort in any place and at no time.

No military can ever work in banks, financial institutions, credit unions or any place where money is handled.

The Military, the police, the secret service, the FBI's, the armed forces, have taken over the fire Brigade and the Fire Engines jobs and put themselves in charge of the fire stations, so that at no point we will have any civilians who can assist with safety and security.

Military in Other Earths Illegally

The Military is not in the other Earths that are inside this Earth. They only exist in this Natural Earth. I have seen the military in the Paulettas, the Perspective, the Perguntas, the Parsemonias, as they bore in themselves in these areas and set up make shift things to exist in the outer areas or outside areas. The military are violating my rules and their rules, as the military are doing in this Natural Earth. The Paulettas and the others have their knowledge and their necessities, and they are not fooled like us, so they know what is happening in many areas. Military, military get out, military, military get out 42 times.

The Court system

The Court system and especially the highest court is the Federal alongside the president, the governor leaders, the mayor leaders, and some city council members. Most Commissioners are politically appointed and, so they are not legitimate workers they are political.

Xlibris Publishing

I wrote a book Titled: *Compensation Systems, Job Performance, and How to Ask for a Pay Raise* and distributed it through Xlibris Publishing. The code numbers are: ISBN 9781524539740, ISBN 9781524539726, ISBN 9781524539764 Available at www.compensationpayraise.com (revised), <https://www.amazon.com>, and <https://www.barnesandnoble.com>. When I purchased the book publication package from Xlibris, the company was not a self-publishing entity. They had a package for self-publishers and I did not take that package. From recent conversations with Xlibris, they identified me as self-publisher and I have informed them that I AM not. They have not paid me for my book royalties for over one year now. I have seen on their web site toward the end of October 2017 that they are now a self-published publishing company, and they are now trying to take my marketing and promotion money and to pretend

that they were into self-publishing when I signed the agreement with them. They told me recently that they have not collected enough money for them to send me a check, so they cannot end me anything. I have paid them for advertising and marketing and promoting my book and they have not been fulfilling their part of the package that I have paid for.

Department of Health

There is a woman going around who is likes to be in the banks and other government agencies, and sometimes she appears in your conversations, she is called the Department of Health. She is from the Centex chreations, and she is used by the Federal to do many wicked things, and she is not to be trusted.

No one is to go outside the Earths

The military, the governments, the leaders, the police, the fire, are not to go out of the Earths. They are not to use the space ships, the space shuttle, the ocean navigation ships or submarines to get out of these Earths. No one is to go outside the Earths for any reason. DO NOT GO OUT OF THE EARTHS.

Judge Scalia

On October 22, 2017, Judge Scalia/Scarlatta of the USA Supreme court terrored me in my home at about 2:00 am and he was also in New York State area when they came to terror me. Some of the 2017 supreme court are Rick Scott, Andrew Cuomo, Laura Griffin, Nuke Gingridge and mixtures. Some of them are the same with little facial changes. They are all make up plastics who can switch from one to the other without your knowledge.

Federals

I have seen Federals in the Paulettas and that is mal rule/illegal. No Federals in the Paulettas.

Jamaica Consulate New York

Since April 1, 2017 I sent my passport in to the Jamaica Consulate for renewal and they have not yet returned to me. I have written many letters to them, and they have ignored my communication. Today, is November 9, 2017 and I have not yet received my renewed passport. One of the worker called me at 5:21 pm and told me they have an international standard for photograph to be forehead clean, and I told her It is my personal right to not leave my forehead exposed for the governments to use my forehead. I told her that Hillary Clinton is now wearing my forehead, so I will not change my photographs I sent to them. She said she needs for me to send her my State ID. I told her that on the application and their web site there is no State ID required for renewal of passport, so they cannot ask for something that is not a requirement. Just like how they have an international standard for hair less forehead, they are to stick to their international requirements for renewal, as no state ID is required. I do know that the government want my ID so they can use it with my social security number, my birth certificate, and my signature. Then she said she will scratch that request from off. Then she said that she needs for me to write my signature with less information. She said my signature cannot fit on the application. I told her that on the passport I sent for renewal my signature is the same, and I am not writing it any less. The Jamaica Consulate NY is in the beyond the beyond and beyond the final Judgements.

Mercedes Benz

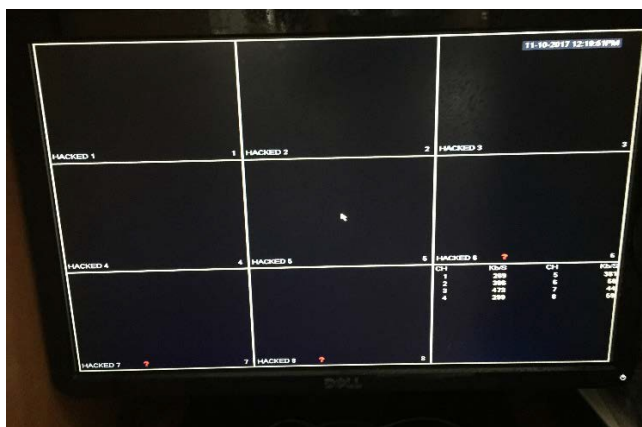

I went to Mercedes Bens dealer and asked them what is my balance to pay off the car and to get my title. They searched the computer many times in different ways and they told me that there is no balance on my car it is fully paid off. When I had the time, about October 4, 2017, I called Mercedes Benz and asked them the same question as the dealer. They looked into their computers, and it was paid off and they required me to pay them Five thousand and nineteen dollars and then to get the title. I gave them the address to send the documents, and they said they will send me the information for me to pay them in November 2017. I waited, and I did not get the documents from them so, on November 9, 2017, I called Mercedes Benz to find out where were the documents that they should be sending me, and they said they sent it to my old address which I had told them to change since October 4, 2017.

I spoke with a man named Andrew at Mercedez Benz and he began to flip flop and said that the payoff amount they gave me was a mistake on their part. They said they thought the car was paid off, and they had stopped the automatic payment since June. I was surprised as none of them told that to me, or called me, or sent me a letter in the mail so why did they not communicate with me. I asked them why they did not send out financial documents, and they said they do not send out those documents. I believe Mercedes Benz is operating illegally and they do not want to be caught so they are doing some back-door dealings with the customers. Andrew transferred me to Sheron, as he had to leave early. Sheron told me that I should pay them over the telephone, as they do not send out request for payment. I told them that since I got the car, that it has been automatic payment and they have the control over the automatic payments, so why are

they asking me to pay when they have been withdrawing the money. I went to get the card to pay them, then before I give the woman the payment I told her that I did not see my car outside. She told me that my car was repossessed at about 2:00 am on 11/9/17. I know for sure that was a lie, as I went to put my garbage outside at about 4:30 am and my car was there. I told the woman that my car is fully paid off and they must put my car right in the spot they took it, and I AM totally crushed by what they did to me. I told her this was an embarrassment as my car was removed in broad day light, and I have no transportation to get to where I have to go, and I want my car back today and I many things to do away from home.

This morning November 10, 2017, Mercedes Benz came to my home. They said they wanted to drop off my car and I am to give them my state identification (ID) for them to scan it and for me to sign to receive my car. I told them that I left my car in front of my driveway and it disappeared and it must put back. They said they will not leave it until I give them what they want. I went back indoors, and they drove away. They came back and knocked on my door, and they wanted me to give them my ID for them to look at it. Then a man named Josh from Mercedes Benz called me on the telephone to say that the drivers are at my home to drop off the car, and they want to see my ID and my signature as there is a state requirement for those type of situations. I told him that I will not sign, and I will not give any ID. I also told him that around October 4, 2017 I called them, and they told me that my car was paid off, and I only have five thousand and nineteen dollars to pay, and so there is nothing more for me to do so he is to send me my title and other documents in the mail. I also told him that I paid all the balance they said on October 4, and my car is fully paid off and it belong to me. This event happened from about 10:00 am to about 12:45 PM.

I went to look at my monitor for my surveillance camera while Mercedes Benz were driving my car back and forth in my community, and the camera screen said hacked. I have no recording of what was happening, and I was speechless. A photo and a video of the hacked screen is attached. I believe it was Mercedes Benz who hacked my surveillance camera.

At 4:59 PM a man who said his name is Andrew from the Tampa Bay Mercedes Benz office called me and asked me how was my service visit when I came there on October 6, 2017. I told him that I got there about 3:00 PM and I never left until about 7:00 pm as no one had worked on my car until I came to them asking when it will be done. He said he want to make up for that bad

experience and wanted to know what he could do to help. I told him that I have been having some terrible experiences with Mercedes Benz since yesterday, October 9 and continued up to that time. I also told him that I paid Mercedes Benz the final payment yesterday and my car is fully paid off and I must get the title and all closing papers in the mail as was discussed on October 4. Then he asked me where the car was, and I told him to ask Mercedes Benz that question.

I am very disappointed with Mercedes Benz. Mercedes Benz are blood suckers. Mercedes Benz are hackers as they hacked my surveillance camera. They are thieves and they caused me a lot of embarrassment for two days straight. They removed my car in broad daylight for no reason and they brought my car back twice in one day and kept going back and forth in my community causing me distress, anxiety, embarrassment, and they left my car on the street to cause me to get a ticket for illegal parking and to cause an accident as the back was stuck out in the street. They put my car across the entrance of my driveway, so no vehicle could come in or get out. They put my car in the street to cause disruption in my community from accident, and they left the car door open. My car was also very dirty, and the wheels has dry dirt on it.

The car called Mercedes Benz is my vehicle and my ownership, as I put them in this Earth and not a man-made thing. The right name is Christlery as I am the Christ and not a man. The devils stole my organizations such as the vehicle for the Benses Chreations in this Natural Natural Earth, the Mercury vehicles, for the Mercury chreations and they joined them together with my Christlery vehicles that are only for the Christ. They coined the name Mercedes Bens and the Daimler Chrysler together as they are stolen properties. Mercedes Benz must give me back everything they stole and put them in my name. Give me my keys, locks documents, records, everything in the ancillary accounts and undercover accounts. My name is supposed to be on the stock certificates and my last name is all the last name of all my Earth children. They have two books one that is accurate and one for the government recording. If you do not give me what belongs to me, you will be going into the hell and they are beyond the final final end.

tricked-out alternative for Gen Y buyers. “We’ve got a story that no other manufacturer can tell,” Cannon says, referring to the company’s claim that they built the first automobile 125 years ago. <https://www.fastcompany.com/1840527/mercedes-benz-ceo-steve-cannon-steers-luxury-attainable-connected-new-paths> by Lydia Dishman.

Adolph Hitler Quotes

Those who want to live, let them fight, and those who do not want to fight in this world of eternal struggle do not deserve to live. Strength lies not in defense but in attack. How fortunate for governments that the people they administer don't think.
