To the Sherburn and Welcome City Councils,

The department logged 215 calls for service for the month of April. A great majority of these calls were for property clean-up warnings as the city-wide tour was done at the beginning of April. Over 80 properties between the two communities were issued clean-up requests and were given a deadline of April 28 to correct the issues. Citations will be issued to those properties that are still in violation of the city ordinances. Those properties that are vacant or we are unable to contact the owners will be dealt with through sending a letter and potentially having the city clean-up the property and assess the owners.

Response time for the department averaged 1 minute and 50 seconds. This is a good response time and is within the averages that the department seems to be keeping.

The department – all along with the other agencies in the county – will again be paying a visit to the elementary school in Sherburn. This event is done yearly to coincide with National Police Week. We will be visiting on May 14 at 1:00. Each agency brings various equipment that we use for the children to look at and ask questions about. The Fairmont K-9 Unit will also put on a demonstration for the children. We have done this for several years now and the kids (and officers) really enjoy it.

Hope everyone enjoys this slightly warmer weather!
