

The Seaforth Country Classic has been a great success since it began in 2008.

Unfortunately due to the Covid-19 Pandemic our SCC committee has decided to cancel the 2020 event scheduled for July 30-August 1. This has been a difficult decision but we have taken into account many factors relating to player, volunteer, and staff safety as well as the various restrictions relating to international travel, accommodations, food and beverage service, and more. There are so many unknowns that it's hard to make plans for all the components that are required to have a first class professional golf tournament.

Over the years the Seaforth Country Classic has achieved its three point mandate to provide a place for young professionals to show off their skills and earn some money, host a community event that involves the entire cross section of our population, and raise funds for local and area medical charities. Thanks to the support of our many sponsors and the hard work of our volunteers the tournament has raised over \$150,000.00. It has also entertained thousands of fans who have witnessed some awesome golf, provided volunteer hours for students, and created the atmosphere of co-operation and camaraderie that the game of golf is known for.

To host an event this year under the current pandemic limitations would diminish many of these positive achievements so we are planning to host the tournament in conjunction with the Great Lakes Tour in 2021. Next year Seaforth Golf Club will continue to celebrate its history over 60-61 years and the Great Lakes Tour will be celebrating its 20th anniversary so we plan to make the 2021 Seaforth Country Classic one of the best tournaments ever!

Perhaps the greatest loss will be felt by our charity, the Tanner Steffler Foundation www.tannerstefflerfoundation.com , so we are planning a special fund raising event at the end of July with our professional Robyn Doig. So stay tuned and we'll keep you informed as we move towards keeping that goal on our horizon.

Thanks to all our players, volunteers, sponsors, and fans. We trust you'll all be back with us in 2021 - we're counting on you!
Remember stay safe, stay healthy & stay tuned!
