

Teacher Appreciation Week Starts May 7th

Celebrate this special week by sending a teacher the gift of your recognition and appreciation.

Make a donation to the District 181 Foundation in his or her honor.

When you donate, here's what happens:

- The honored teacher receives a letter with your special message included and a certificate of appreciation.
- District 181 students, teachers and the whole community benefit from the grants and programs that will be funded with your donation.
- You give a gift that teachers love to receive. Also, your message of appreciation is shared with the teacher's principal and the superintendent.

Congratulations to the District 181 Teachers, Administrators and Staff Members who were honored with a donation to the District 181 Foundation in 2017-18:
