OCTOBER 26 & 27, 2018 7-10PM

**PARTICIPATION FLOOR PLAN**

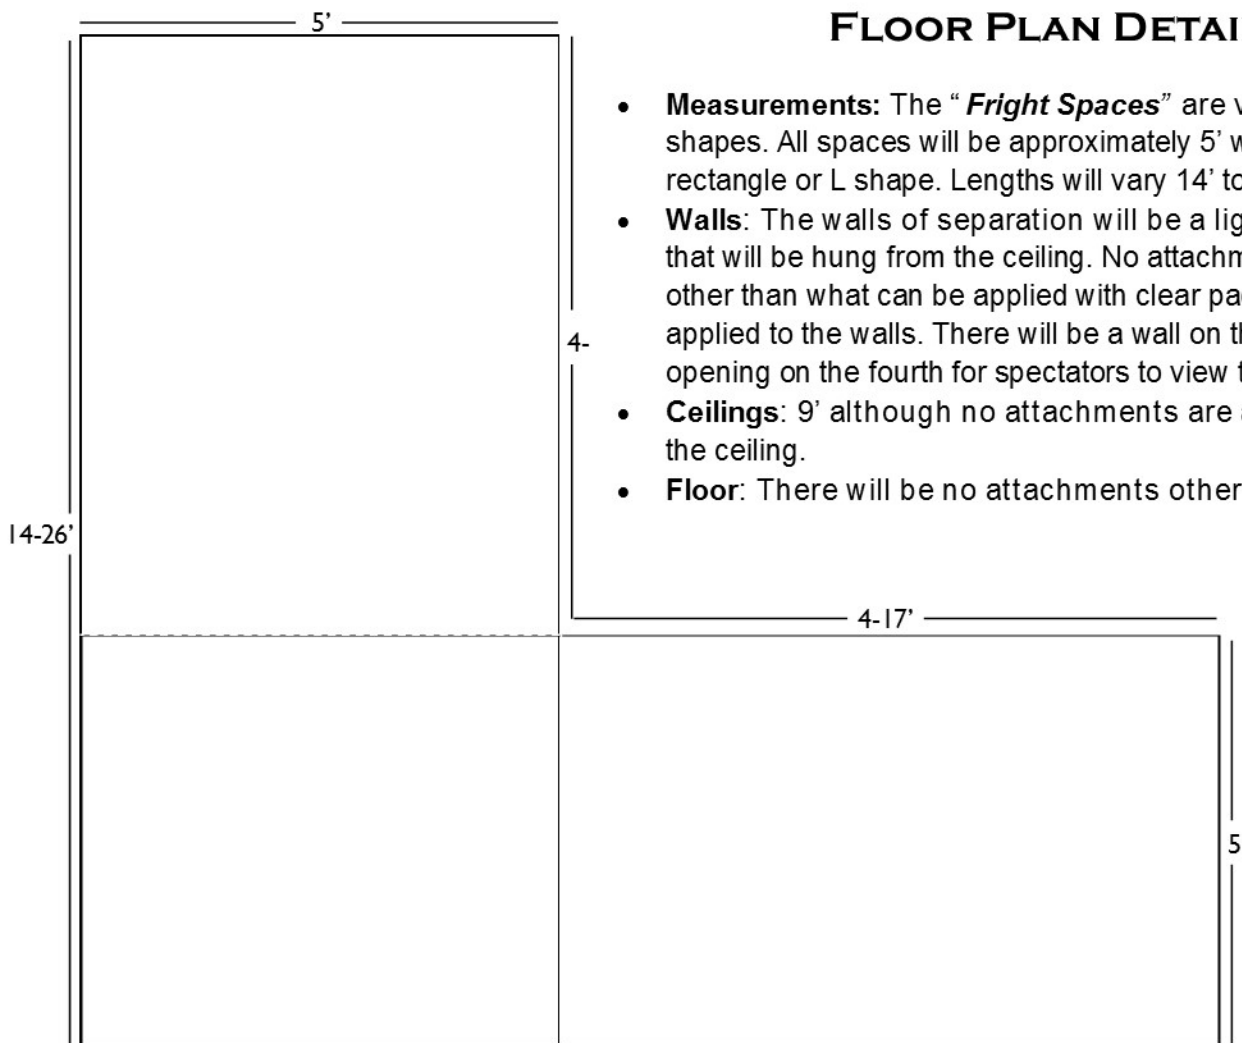

Organization: \_\_\_\_\_

"Fright Space" Title: \_\_\_\_\_

When planning your "Fright Space" floor plan, keep in mind your team will not know if they have been assigned a space in the shape or a rectangle or "L" until notice with Acceptation Letter.

**FLOOR PLAN DETAILS**

- **Measurements:** The "Fright Spaces" are various sizes and shapes. All spaces will be approximately 5' wide, in either a rectangle or L shape. Lengths will vary 14' to 26'.
- **Walls:** The walls of separation will be a lightweight material that will be hung from the ceiling. No attachments of any kind other than what can be applied with clear packing tape can be applied to the walls. There will be a wall on three sides with an opening on the fourth for spectators to view the haunt.
- **Ceilings:** 9' although no attachments are available from/to the ceiling.
- **Floor:** There will be no attachments other than tape.
