Accommodating SKU Range

Cabinets from 9~72 inch widths to 12~42 inch heights.

Complete line of vanity cabinets

Vanities available in handicap or base height at no extra charge.

Standard Features

Water Resistant Floors All sink base and sink base vanity cabinet floorings are powder coated for water resistance and extra durability.

Red Oak Hardwood face frames are 3/4" thick and 1 1/2" wide kiln-dried hardwood. Frames are assembled under pressure with screws for maximum strength.

Standard 1/2" Back and Sides are upgradable to plywood construction.

5/8" solid dovetail drawer features four sided construction and captive 1/4" matching laminate bottom.

Powder Coated Shelves offer extra durability. High water, scratch, stain, and temperature resistances.

6-way Adjustable Hinges are self-closing and concealed within the cabinet door and frame.
