About Quota

In Quota International, members serve our communities, both locally and globally. Founded in 1919 as the first international service organization for women, Quota today includes clubs throughout North America, South America, the Caribbean, the South Pacific, Southeast Asia, and Europe. Our motto, "We Share," leads us to help and encourage others, while developing friendships and promoting international understanding. We are known especially for our service to disadvantaged women and children and to people who are deaf, hard-of-hearing, and speech-impaired.

We Share

Quota members value belonging to a local club in which we make friends and enjoy serving others. We share a variety of experiences which develop understanding and appreciation for all.

We Care

Worldwide, our volunteers donate hundreds of thousands of hours and more than a million dollars each year to address local and international needs, and we have fun doing it. Our award-winning We Share Foundation supports our programs and provides information and tools for our volunteers to make the most of service efforts and humanitarian aid. The foundation operates entirely on the generosity of donors who care about helping those in need.
