12
nev-er been so nice - ly dressed! We'll be host ing and toast ing the whole night through as we

16
ring in the sea-son with you. It's the first Christ-mas in for - ev - er since we

24
al read - y worth the wait. Look at all the joy, and it's

28
ev-ry- where, I feel the Christ-mas spir-it in the air! And the par ty will start at the

32
