

Earn \$\$ + help prepare communities with this easy Referral Program

For over 20 years government agencies, businesses and groups have been purchasing *IT'S A DISASTER!* books and ebooks for their employees, members, customers and communities.

Below shows how volunteers (VFDs, CERTs, MRCs, etc.), nonprofits, schools and others can complement fundraising efforts by spreading the word about our customizable preparedness and first aid paperback and PDF ebook.

- Designed for groups to help raise funds without taking orders, collecting money, etc.;
- Volunteers just refer businesses, agencies & groups to Fedhealth's site or ph# ;
- Fedhealth does ALL the work (books and ebooks come with [free customization](#));
- Earn **15%** on referred bulk **paperback** orders and **30%** on bulk PDF **ebook** orders!

Say a Medical Reserve Corps refers a Health Department who orders 500 red books with stickers

Cost to Health Dept for 500 standard red paperbacks: **\$ 2,500**
(500 x \$5 / book ... plus free custom labels)

TOTAL amount earned (15%) for Referral: \$ 375

Or a Volunteer Fire Department or CERT refers a Power company who wants 10,000 books

Cost to business for 10,000 custom books: **\$ 50,000**
(10,000 x \$5 / book ... plus free customization)

TOTAL amount earned (15%) for Referral: \$ 7,500

Or a K9 unit refers an Emergency Management Agency who purchases 30,000 PDF ebooks

Cost to agency for 30,000 interactive PDF ebooks: **\$ 105,000**
(30,000 x \$3.50 / ebook ... plus free unlimited customization)

TOTAL amount earned (30%) for Referral: \$ 31,500

And remember, these amounts are non-dedicated, **matchable** dollars. And, if groups cannot take a cash donation, we can purchase needed equipment or provide that value in books or ebooks. Basically, customizable paperbacks and ebooks are "**tools**" that deliver health, safety and preparedness data into homes while helping fund volunteers' on-going efforts!
