

The Tradition At Northgate

Conveniently located across the street from Texas A&M University, The Tradition at Northgate offers nearly 800 residents the enjoyment of an on campus experience combined with an independent lifestyle off campus; an easy walk or bike ride to class.

Several restaurants, grocery stores, and retail stores are nearby and within walking distance. The Tradition is located at the heart of the Northgate neighborhood, College Station's uptown district. Our ten month lease comes with a meal plan, weekly housekeeping, fully furnished suites, an acclaimed academic tutoring center (The ASC), and the option to purchase a parking space in the attached, gated, and covered garage.

Each of the four different Tradition floor plans includes a private bathroom for the unit, as well as an apartment lounge area. All floors have numerous study and activity lounges, with Management and Residence Life team members available for every type of service.
