HAPPENINGS AT THE FARM

Fall Days at RTF by Deborah Shaffer

"And all at once, summer collapsed into fall." - Oscar Wilde

We find that as the summer ends we jump right into a very busy fall at Red Tomato Farm & Inn!

We are proud to announce that we were able to give \$1025.00 to the Carlisle Arts Learning Center from the proceeds of our Chili Cook-Off in October! (See picture above.) We had a great turn out for this event and are always grateful to the band Hit N Run, Chili Cook-Off participants, and local artists who donated to the art auction. Thanks to everyone that joined us for this event and to DDMP for their generous sponsorship.

The Inn has been very busy in 2021, being our best year yet! The prevocational participants take great pride in their work to prepare the Inn for our guests. Guests can now learn about the participants that prepared their room for their stay with our new housekeeping cards.

Meet Your Housekeeper

.....
Jason has been a participant at RTF for five years.
.....

His favorite part about working at the Inn is changing the beds linens. His suggestion for guests is to sit on the front porch and enjoy the fresh air.

.....
Jason is a Penn State Nittany Lions fan.

Some of our favorite fall activities at the farm included making planters out of pumpkins, a guess the weight of our own homegrown pumpkin contest (the biggest at RTF was a whopping 39.5 lbs.), and building a chicken coop. We also made cat wand toys, catnip toys and homemade treats for Saving Acres Farm cat rescue.

Every day at RTF we continue to be:
Home Grown. Community Minded.

Arts Live Events

Our participants enjoyed several Arts Live Events this season. Local artists visited the farm to offer pendulum painting, colored pencil on copper pendent necklaces, and paper making.
