

Mrs. Jana McCormick

Pre-K4

Mrs. Jana is in her second year as Pre-K4 teacher at Marvell Academy. In 2001, she graduated from Southeast College of Technology. She worked for twenty years as a medical assistant, but her passion for working with children and seeing them grow and excel led her to Central Baptist Preschool before joining the MA family. Jana is married to J.T. McCormick, a 1997 honor graduate of Marvell Academy. Together they have three daughters who are active student-athletes at MA (Dru – 8th grade, Amelia – 7th grade, Perry – 5th grade). Mrs. Jana enjoys spending time with her family and friends, reading, and watching her girls participate in basketball, track, cheer, and softball.
