OUR MISSION

To present Christ, crucified and risen

OUR VISION

"To keep our focus on Him, to understand what it means to be obedient, and then live that every day. And to define success not by the number of people that walk through our doors, but rather by those that walk out closer to the Lord."

FROM THE PASTOR’S DESK

~~Stay in the **WORD** ~~PRAY More ~~Show **CONFIDENCE**

Good morning! Here we are at the end of May and as difficult as it is to believe, five months of 2020 are behind us. It seems like we just had Christmas and New Years! It is also probably fair to say that this year has been unique in many ways, and will certainly be remembered for years to come. We have lived through things we never thought we would see in our life time, and while we are not completely through this as yet, it is nice to be out from the stay-at-home order.

We had a few more folks join us for our service last Sunday as we gathered and Pastor David brought a message about “Facing our Giants.” We are blessed to have him on staff and I appreciate his dedication to studying and preaching the Word. Please continue praying for him and his family as they settle in to serve Him in this place.

We have been, and continue to be so blessed as a congregation, as we have not had any reported cases of CoVID-19. The Lord has blessed us in so many ways; not only with protection during these past months from illness, but also with talented and dedicated folks to live-stream our services, and continued financial blessings as well. Thank you for your generosity and obedience to Him in providing for the needs of this, His Church. This is a remarkable group of believers, and what a blessing and honor it is to serve Him as your Pastor.

I realize that many of you are still staying inside and avoiding groups and crowds, which is certainly the correct thing to do for some. Even though we are gathering again, and even though we love seeing each one of you, we also understand and want you to stay home as long as you need to. Please do not feel that anyone is trying to encourage you to do anything other than take care of yourself. We continue to observe the social distancing guidelines as best we can, but also know there are some who need to be extremely careful about being around others. We want you to do whatever is best for you!

Remember that especially during these times, it is so important to keep in touch with your Deacon and let them know of any needs or prayer requests; if you cannot reach your Deacon, just call me or Pastor David. Our numbers are on the front of this Bulletin.

Blessings and love to each of you,
Pastor Mike
