2017 - 2018
Application Package

Dr. Betty Shabazz Delta Academy
and
Dr. Jeanne L. Noble G.E.M.S. Institute

Sponsored by the San Antonio Alumnae Chapter, Delta Sigma Theta Sorority, Inc.

The Dr. Betty Shabazz Delta Academy was established under the leadership of Marcia L. Fudge, the 21st National President of Delta Sigma Theta Sorority, Inc. as a way of developing new purpose, new skills and new leaders from the ranks of 11 to 14-year old young women. Recognizing that many of today's young women do not have the opportunities to fully development their personal and academic potential, the San Antonio Alumnae seeks to offer supervised and structured experiences that will help participants grow to be productive citizens with high self- esteem and an appreciation for the demands of an increasingly technological society. The Academy meets on the second Saturday of the month and other designated days as set by the chapter's calendar.

The Dr. Jeanne L. Noble Delta G.E.M.S. Institute was established under the leadership of the sorority's 23rd National President, Dr. Louise A. Rice. The Delta G.E.M.S. Institute is a continuum of services that addresses the needs of young African American women in grades 9 through 12 with a framework for the participants to discover and understand their individual brilliance by embracing the aims of the G.E.M.S. theme: Growing and Empowering Myself Successfully. The G.E.M.S. Institutes meets on the second Saturday of the month and other designated days as set by the chapter's calendar.
