

Dr. Suzanne Kistner-Davis

Hello everyone. I'm Dr. Suzanne Kistner-Davis and I'm the current president of the advisory board. I've been on the school advisory board for many years. I am a chiropractor who has been in private practice in Decatur for twenty years. I have been married to my husband Todd for twenty years. We are high school sweethearts. We have an absolutely wonderful daughter, Sage, who graduated from St. Patrick school in 2009. I also have two nieces who attended grade school here until they moved to Virginia. My family and I are parishioners at Ss. James and Patrick and have been for many years. St. Patrick School is awesome thanks to all the hard work of the faculty, staff, parents, grandparents, parishioners, and students. We are very fortunate to have such a wonderful and caring faculty and staff. Let's keep being awesome! Go Eagles!
