

VETERANS OF FOREIGN WARS AUXILIARY  
Chief of Staff/Extension Bulletin  
December 2018

We are well into our “Reaching for the Stars for Veterans Year” with much to be done yet. Are all the Officers in your Auxiliary or in your District current with their dues? All Officers **must** have their dues paid by December 31<sup>st</sup>.

There are auxiliaries who have not sent in any dues. Are you one of them? Treasurers please send dues to Treasurer Lenore Otto by December 15<sup>th</sup> for proper processing. Do not jeopardize members who have paid their dues to not have continuous membership. If Officers’ dues are not paid they will be removed from office, January 1, 2019.

Have you used your “Welcome New Members” bag?

Have you used the mentoring information provided to you?

Have you gone on the Auxiliary website ([www.vfwauxiliary.org](http://www.vfwauxiliary.org)) to get ideas to strengthen your Auxiliary?

Have you contacted the Department President or Chief of Staff with concerns and/or problems you may have? We are here to help.

Are your quarterly Audits done correctly and sent to the Department Treasurers office on time?

Are you holding monthly meetings and conducting them according to the Bylaws and Ritual?

Are you using the Healthy Communication Phone/Text Tree to remind members to pay their dues?

During this Holiday season we can make a difference in the lives of **All** veterans and their families by supporting our theme-“Unwavering Support for Uncommon Heroes”. Remember “Reach for the Stars for Veterans”. I know “We Can Do It”!
