

**Greece CROP Hunger Walk - Sunday September 27<sup>th</sup>**

We're taking action to help families living with hunger. Help us reach these two goals:

- 1) more meals for the growing number of people who need them in our community
- 2) more food security around the world

Please join us!

- Spirit Walker - don't actually walk, but help us raise money and spread the word
- Independent Walker - walk around your own neighborhood
- Physical Walker – socially distanced 2.5 mile walk starting at Aldersgate lot.
