

# Kremmling Preschool Newsletter

September 29, 2021

**INCREDIBLE YEARS PROGRAM** - Here at the preschool we use a social/emotional curriculum called The Incredible Years. It's a program that teaches the children in learning what their emotions are and how to manage them. It's a wonderful program that has helped us to give the children the words, skills, and confidence to express their feelings in a productive manner helping to facilitate a positive outcome. There is another piece to this program that involves parents and we are excited to announce the Incredible Years Parent Program is coming back this fall! This is a great opportunity for parents to grow your parenting skills through a proven effective parenting curriculum. It doesn't matter if you are on your first child or fourth, there is plenty offered in this class to help you navigate the trials of parenting! They will provide the class, dinner and childcare all completely FREE! Please see your child's red folder for more information on what the class is about and how to register.

**FIRE SAFETY** - Kremmling Fire Department is coming to Preschool!! They will be here on Wednesday, October 6<sup>th</sup>. We are so excited to continue with this tradition, reinforcing fire safety week.

**MS. KALONIE'S KORNER** - "Wow, I can't believe it is already the end of September! Our class has had so much fun learning and playing together. We have talked a lot about friends and are just finishing up learning about the forest and having lots of 'forest adventures'. Yesterday we made binoculars and went exploring for forest animals. I love seeing what our imaginations come up with. Until next time!"

**REMINDERS** - Please continue to send your preschooler with their water bottle, thank you! The preschool will be closed Monday, October 11<sup>th</sup> in observance of Columbus Day.
