SHARE Dental

Members must be enrolled in a core ASH health share level to participate in SHARE Dental

ASH's Dental Sharing is vital to the long-term health of members.

The dental sharing program shares in services and procedures based on a graduated scale where sharing percentages increase over a period of three years. The maximum sharing levels are highest in year 3, so it is to the member's advantage to seek regular, consistent care and maintain their membership over at least the three-year time period.

- ✓ Preventive dental exams and X-Rays shared at 100% immediately
- ✓ No waiting period on dental sharing services!
- ✓ Access your SHARE dental information through the ASH Needs Portal
- ✓ Locate high quality dental providers through the network

SHARE Dental Network

Careington
SOLUTIONS SIMPLIFIED

The ASH Dental Sharing Level offers participating members access to the Careington POS Dental Network. Use of the Network is not required in order for dental needs to be eligible for sharing, however members who access network dentists will receive 20% to 50% discounts on most procedures including routine oral exams, cleanings, and major work such as dentures, root canals, and crowns through one of the largest dental networks in the U.S.A., with a focus on neighborhood dentists. Members who choose to utilize network dentists will not experience balance billing. In other words, as long as ASH members share in the need of a network dentist, they will share in those needs at the full percentage eligible – not subject to reductions for usual and customary, after any applicable MRA and waiting periods have been met.

The Need for Critical and Accident Sharing

Medical advances as it relates to treating and surviving a critical illness or accident have made it significantly more likely an ASH member would survive such an unforeseen medical event, resulting in substantial needs. ASH members are committed to supporting each other through such devastating situations, and the many out-of-pocket costs that may result. These medical events create substantial needs for which ASH members can choose to share in and also be eligible for sharing. Best of all, ASH will facilitate the sharing between members.

Use the Sharing Dollars however you choose!

- ✓ Out-of-pocket-medical expenses
- ✓ Transportation costs
- ✓ Help with child care
- ✓ Household duties
- ✓ Routine monthly bills
- ✓ Prepared meals
