

Plain is Boring ! New Collection of TAS at Performance Days

*Designed to Captivate...
...Engineered to perform*

GUANGZHOU / MUNICH, CHINA, April 12, 2017 /EINPresswire.com/ -- After its successful debut at the Performance Days in Munich in November 2016, TAS is proud to announce its return to the next Performance days April 26th & 27th 2017, showcasing their latest developments

Enhance your garments, elevate your brand and stimulate sales using innovative Jacquard and Multibar Technology fabrics. Exciting themes and collections, such as Dentelles Sportif , Mesh Fash , Mint Collection, Non Olet (Odor management), Zone Tech (Different Power Zones) and many more await you at booth 517 in Hall 5.

Whether its fabrics made out sustainable fibers, cool and warm wool, silk enhanced or climate management as we'll as new fabric patterning and design concepts, a whole range of innovation has been prepared for interested visitors.

About TAS: A new division of leading Chinese lace manufacturer Tianhai Lace. Its key platform is innovative Fabric and Design-to-Garment solutions that open up new possibilities to athleisure and sportswear brands.

With its vast array of lace, rascheltronic and circular knitting machines, TAS can offer all types of motifs, mesh, jacquard knits etc., made to the specifications of its clients. The new division is targeting the growing athleisure market as well as fitness, running and related activities.
