The Warren County Health Department schedules a series of State/Municipal-sponsored rabies vaccination clinics for pets each year.

- Clinics are free to all New Jersey residents.
- Only healthy cats and dogs are to be vaccinated.
- Dogs and cats receiving their first vaccination, or those with an unknown rabies vaccination history, are given a one-year duration of immunity on their rabies certificate.
- Dogs and cats that have received one or more rabies vaccinations in the past are given a three-year duration of immunity on their rabies certificate (with use of a 3-year vaccine).
