Introduction

A Soul has completed its Mission. It is ready to leave the physical body and move on into Afterlife. For the relatives, friends and community there is grieving to be observed.

Afterlife starts with a cremation to make sure the Soul is released. Cremation releases the Soul. Fire cleanses destroying body contagions and releasing the Soul to move on to the Spiritual Gate.

After death a 'Relive Good Prayer' or 'Relive Bad Prayer' can be used. These prayers ask **1 God** to reward or punish a person.

Graveyards are not acceptable they are recycled for other purposes.

A Gatekeeper Angel decides whether to welcome a Soul or send it back. A dark Gate the Soul goes back. A bright Gate a welcomed Soul has its Judgment Day.

On Judgment Day **1 God** question's the Soul. After questioning the Soul moves on to the Purity Scale. A Soul relives its' bad and good life experiences. Then it moves to the Life experiences Vault.

Either a Soul gets another body, is Reincarnated. Or the Soul has collected enough Life experiences to become eternal (Angel). An Angel starts with being Guardian then Reaper, in due course becoming Gatekeeper.

Basics

There are other Angels.

1 God calls the Spiritual Universe: 'Heaven'.

Heaven is where Souls' become 'Eternal'.

1 God calls the Eternal: 'Angel'.

Soul you got 1

1 God is the original Soul and **Eternal Soul**. The Soul is spiritual. The Original Soul is 1 God both good and bad.

1 God created 2 types of Worlds. A Spiritual: 'Heaven' and a physical: 'Universe'. They co exist complementing each other. On day 4 of creation **1 God** gave every physical life form a spiritual companion. A Soul! You got 1. The Soul's physical human cycle begins at: Birth> growing> learning> multiplying> teaching> dying> cremation.

Why do I exist ? A Soul (Yours) from the Spiritual Universe gets its instruction (from **1 God**) on what life experiences (emotional and physical) it is to have in the Physical Universe. Instructions are vague as is to be expected from an imperfect Universe. Giving a Soul flexibility for completion of its mission. To complete its mission in the Physical Universe a Soul needs a physical appearance (your body). The reason for Your existence is to help Your Soul gain the life experiences it needs to complete its mission.

Life experiences are events you remember until your dying day or memory loss. These events are dramatic happy (dream come true..) or unhappy (serious accident..), character building. Custodian Guardian believe that every individual will record their life experiences and pass them on: **Knowledge Continuity!**

Why do some people die young? The Life experiences mission of Your Soul may have been completed at an early stage (infancy) of existence. Whenever a life experiences mission is completed the body is supposed to die. That is why people die at different ages.

A Soul after entering a physical body is given a, 'Mission' from **1 God**. The mission is to gain specified, 'Life experiences'. The Soul delivers these to the 'Purity Scale'.

A Soul's physical body is there to make life experiences possible. A Soul's relationship with it's physical body is volatile, imperfect like the Universe.

A Soul's physical body has 2 Angels assigned, both Guardian Angel. 1 guards the mission (a body has an accident not part of the mission, the body is dying, Angel 1 makes a miracle happen, both body and mission are saved). The other Angel test's (temptation) the maturity of the Soul

and its moral strength (conscience).

When a Soul's mission is completed the physical body dies. The Soul moves up to the Spiritual Gate. A dark spiritual gate means a 'Gatekeeper Angel' send's a Soul back (incomplete mission, a body comes back from being declared dead). A bright Spiritual Gate and the Soul is welcomed.

1 God is waiting to hear from you !

Soul Prayer

Dear **1 God**, Creator of the most beautiful Universe
I feel empty, lost, without purpose
A humble custodian guardian who struggled to be good
A much loved person who fulfilled their mission
Fire frees this Soul for Judgment Day
A unique Soul missed
For the Glory of **1 God** and the Good of Humankind

This prayer is said after a person died. Is used at the End portal ceremony at the Crematorium.

Grief

Bereavement a state of being sad because a family member or friend died. When a person dies their body has an autopsy, cremation and an Estate. The Soul starts Afterlife. The people who cared about the deceased are in a state of bereavement. Bereavement comes in various emotional stages. The most intense being Grief.

Grief unbearable emotional pain after a Loss. Grief a most painful and character building life experience a person can experience. One moment everything is normal, then we suffer a loss and almost unbearable emotional pain. Pray (**Grief Prayer**) keep on praying. Keep on praying through all stages of grief! It helps!

The 1st reaction is numbed disbelief. This can't be happening. 'I didn't plan this'. Isolation, privacy is needed, lethargy is normal.

Next anger is felt at the cause of the grief, others, oneself, **God**. The grieving feels regret about missed opportunities. Indulges in self pity, self blame. Some embrace Addictions.

Then the bargaining with **God** and fate starts. If I promise to change or do this or that will that reverse the loss or take away the pain. **Desperation resulting in wishful thinking.**

Memories lead to reminiscing, reflection and revisiting the past. Realization of loss sinks in. **Numbness, bouts of emptiness, despair and depression occur.**

Eventually managing grief evolves. Now it is time to normalize, reconnect with life around You. **Interest in surroundings returns.**

Hope returns and planning becomes essential. **Reconnect! Family, friends, community await your comeback.**

Go outside. Life's Good! Birds are singing the Sun is shining, go out and **Harmonize!** You have a lot of living to do.

How can others help? Cheering up won't help, sympathy won't help, understanding won't help. **Patience and support will help.**

1 God is waiting to hear from you !

Grief Prayer

Dear **1 God**, Creator of the most beautiful Universe
Please Welcome a member of our community
My eyes are flooded with tears
My heart is breaking under unbearable pain
Please comfort me, give me hope and purpose
Your most humble faithful custodian guardian (1st name)
For the Glory of **1 God** and the Good of Humankind

Use this prayer after the loss of a loved 1 !

Cremation

A human body has a beginning and end. At its end a Soul needs to be released. To ensure that the Soul is released and Afterlife is possible the human body must be cremated. **If a Soul is not released it exists in limbo as Ghost.**

Cremation is not only needed to free the Soul but also for health reasons. The cremation cleanses destroying dangerous bacteria, viruses, insect larvae and fungi that may inhabit the body.

A **Crematorium** is a provincial public service facility. This facility

administers a morgue, end portal and garden. Here the dead have an autopsy, are fare welled and recycled.

Morgue: All deceased are transported to a morgue for autopsy. The autopsy is to establish cause of death, identity of deceased, include a toxicology to establish whether a body was contagious in anyway and could have infected another human. The finding decides what happens next.

A natural death finding, the body is transferred to the 'End Portal. A suspicious death finding the body is moved to the 'CiL' (**Criminal investigation Lab**). A contagious death finding the 'Provincial Defense Emergency center' (PDEc) is alerted. PDEc picks up the body and applies relevant quarantine.

Cannibalizing the human body before during or after autopsy is immoral is criminal. Cannibalizing is removing body parts, body fluids, eggs, sperm. **Body part cannibalizing is a crime: MS R7**

End Portal: After receiving a body a Cremator prepares the body and estate distribution information for viewing. Every body is prepared the same way no exceptions. A naked body (**humans start life naked they end life naked**) covered by an olive color linen sheet with only the head visible is placed in a plain cardboard coffin. Nothing can be added (**put into the coffin**). Nothing passes to the Afterlife but the Soul.

A viewing date and time is set any person can come to say farewell. Viewers may pray silently using the **Soul Prayer** and **Relive Good Prayer** or **Relive Bad Prayer, Grief Prayer**.

The Cremator sets a date and time for the Cremation. An Afterlife mess is held by an Elder from the nearest Gathering.

The coffin is closed cremation proceeds. A released Soul enters a lit up Spiritual Gate welcomed by the Gatekeeper...Mourners receive a plaque each to take home.

1 God is waiting to hear from you !

Relive good Prayer

Dear **1 God**, Creator of the most beautiful Universe
Your most humble faithful custodian guardian (1st name)
Requests that the good (name) has done deserves extra
recognition (name) represents the good Humankind has
to offer. An inspiration to others
May (name) relive (number) times all the joy of recipients'
of good deeds

For the Glory of **1 God** and the Good of Humankind

This prayer is used for a Good person before or after cremation!

Relive bad Prayer

Dear **1 God**, Creator of the most beautiful Universe

Your most humble faithful custodian guardian (1st name)

Requests that the bad (name) has done deserves extra punishing (name) represents Evil a blemish on Humankind a repugnant abomination a fiend

May evil (name) relive (number) times all the suffering of victims

For the Glory of **1 God** and the Good of Humankind

This prayer is used for a Bad person before or after cremation!

Crematorium Garden: A body is recycled via the cremation ashes. The morning after the cremation ashes are spread over the Crematorium garden. Ashes cannot be taken away. They are always spread over the Crematorium garden.

Note! Prisoners who die in **Rehabilitation** their ashes are spread over the Crematorium compost.

Cremation of other things living only applies if their physical presence is not used in any form of recycling. For cremation (pets, anything poisonous, sick..). Basically cremation is the same as for humans. **No cremation, things eatable or recyclable, compost...**

Graveyard funerals are unacceptable because a growing population needs to use the land more useful. These funerals create Ghosts by not releasing a Soul. Graveyard's are favored by evil elitist showing off: **Expensive coffin, expensive headstone, pompous landscaped mausoleum.**

Preservatives in food stop body's from decomposing stopping reuse of graves. Graves encourage crime, robbing and vandalism. **Neglected graves have unhealthy vermin,..**

No more new Graveyards. Existing Graveyards are closed, dug up. Remains are cremated and spread over the Crematorium garden. **The land is to be used for other purposes.**

Cremation is the only acceptable type of funeral !

Judgment day a part of the 'Cycle of beginning and end and recycling'(Day 2). It is the 2nd stage of Afterlife.

A welcomed Soul enters the spiritual Gate. Is welcomed by the Gate-keeper Angel. Then is questioned by **1 God**:

1 God wants explained what knowledge the person has continuously accumulated. How this knowledge was used for the benefit of the local habitat, environment and community. **1 God** wants explained how his latest message was heeded, spread.. **1 God** wants explained how the person helped Cage Evil. Thousands of years of Evil are coming to an end.

Note ! A Soul cannot use excuses, play dumb or lie to **1 God**.

After explaining a Soul is praised by **1 God** for its good deeds and reprimanded for failings. A Soul moves on to the Purity Scales!

Preparation for Judgment day!

Learn then teach; seek, gain, apply knowledge all live. Use all knowledge to live in harmony with yourself, family, community and environment. Then pass on life experiences as knowledge continuity (family, work).

Read, follow (repeatedly read, absorb, think, then act), promote (tell everyone) the 'Law Giver Manifest 1 God's latest 'Message'! Disregard all other religious publications. Convert unbelievers!

Be Good hold accountable Punish cage Evil !!!

A 'Purity Scale' weighs a Soul's good deeds and it's bad deeds. It makes a Soul relive it's deeds. The Soul's life experiences are transferred to the 'Life Experience Vault'.

A Soul's Life experiences are transferred to the Purity-Scales:

Left side measures
Good deeds

Right side
measures **wrongs**

The left side is down (↓) you done more **Good**. The right side is down (↓) you done more **wrongs**.

Purity-Scales: left side is down (↓) you done more **Good**.

Your soul relives all good things you did and the good feelings that a recipient of your good deed felt. Your soul will not only relive the good feelings that the recipient of your good deed felt but also the joy his, her family, friends and pets felt. Your good feelings may be extended by prayers from recipient of your good deed asking **1 God** to multiply the **relive good** experience.

Purity-Scales: The right side is down (↘) you done more **wrongs**.

You will relive the suffering and pain your victims felt. You will not only relive the suffering and pain of your direct victim but also the suffering and pain of the indirect victims (**family, friends, pets...**). Your agony may be extended by prayers from victims asking **1 God** to multiply **relive bad** deeds.

Example. John Howard a Bully from Down under. A tyrant who invaded 4 countries with his criminal Mates! They raped, tortured, injured and killed (**baby's, children, mothers, fathers, grandparents**) 10's of thousands of people! Destroyed, plundered workplaces, schools, homes leaving 100's of thousands homeless! Millions became refugees. Evil John will relive each and everyone's suffering all millions of them. Custodian Guardian prayed, they asked **1 God** to listen to our Relive Bad Prayer.

When the reliving stops a Soul's current memory is erased, transferred to a **Life Experiences Vault**. A Soul is now Reincarnated and enters a new physical life form.

Reincarnation

Reincarnation is a apprenticeship by a **Soul** towards becoming an Angel. Being an Apprentice a Soul is on a learning curve prone to errors. As a result life experience might not live up to its full potential. A similar life experience will need to be experienced.

Previous life experiences can be gained from any kind of life form (**bacteria, insect, plant, animal, human**). Past life experiences and any unfinished are used to determine a Soul's next mission and into which life form it is reincarnated (**not necessarily human**).

A Soul's Life Experiences accumulate until there are enough to complete the Apprenticeship and become Angel. **Reincarnation ends when the Soul becomes an Angel (Eternal) with infinitive afterlife in Heaven.**

Angel

A newly qualified Angel is welcomed to Heaven by **1 God**, becomes Eternal and given heavenly pleasures 1st of these is being '**Guardian Angel**'. Every time a new Angel becomes an Eternal. There is great merriment (music, singing, dancing, laughter,..) in Heaven.

'**Guardian Angel**' (G. A.) monitor how a Soul's mission is progressing. G. A. interfere when a soul stray's from its mission or events threaten its mission. G. A. methods of interference: conscience, miracles, vision. **Note !** G. A.'s are the only Angels that can make themselves be seen by humans and all creatures.

A Soul has completed its mission, a **Guardian Angel** tells it that Judgment Day is imminent. Folklore describes this behavior of a Guardian Angel as a Reaper or Angel of Death! A Soul cuts its bond with its body. 'Flashbacks' occur the Soul starts moving towards a warm bright all embracing light.

A **Gatekeeper** decides whether to welcome a Soul or send it back. A Gatekeeper checks each incoming Soul if it has completed its mission and is due, to come in. Should a mission be unfinished the Soul goes back into the body (no body to go back, is assigned a new body).

Gatekeeper administer Judgment Day, Purity Scale, Life experiences Vault and supervise Guardian Angel.

There are other Angel (too complex to understand by mortals).

1 God's spiritual universe is '**Heaven**'!
Heaven is where Soul's become '**Eternal**'!
1 God calls eternal: '**Angel**'!

1 God's expanding Universe wants more Angels!

Deceased

A Deceased person has a community afterlife: Estate, Knowledge Continuity, Heritage and Traditions. Estate passes on accumulated knowledge, life experiences, heritage, family traditions and memorabilia. Estate does not pass on Position (ends with death), Power (ends with death), all Wealth goes into Government Revenue. People that inherit wealth power also inherit debt and guilt. They are held accountable!

A Deceased person who had raised children (own, adopted, foster) becomes 'Immortal'! Those that didn't, 'Don't'! Children make you 'Immortal'!

AS it is WRITTEN It Shall BE
