### 2019 iTRI Kids' Racing Series Community Partners Opportunities Partnerships include all events in 2019

Dear Potential Community Sponsor:

Hello and thank you for your interest in the 2019 iTri SoFla Kids' Racing Series. This series has been created for two main reasons. The first is fairly obvious. iTri Kids' Racing Series is designed to further encourage children (and their parents) to take an active role in the health and wellness for their entire lives. As we age, traditional sports like football, baseball, basketball and soccer are more difficult to play and almost impossible to play alone. However, swimming, cycling, and running are sports one can participate well into their 90's. An 85 year old woman, Katherine Beiers, finished the 2018 Boston Marathon. The secondary reason is part of the "story" behind iTri SoFla.

Coach Nick first met Coach Nat when Nat brought her toddler girls to Coach Nick for swimming lessons. Fast forward 3-4 years and Nat is now bringing her girls to Coach Nick's non-competitive swim team. Coach Nick and Coach Nat chat about their kids, sports, etc. Coach Nick's children have been competing in triathlons around Florida for several years and he has been looking for a little more from the locally run events. Coach Nat, a triathlete herself, had been the race director for a local running event for children for the previous 4 years. It didn't take too long for that light bulb to go off in both of their heads... and here we are!

Our mission is to create a Miami based racing series targeting mostly children; however, we are going to take an active role in getting as many of the parents to compete as well. We want to encourage ALL people to get involved, channel your inner athlete, and spend some quality time with family and friends. We would love for you to consider joining the cause. Please review below sponsorship options for the 2019 iTri Kids' Racing Series.

Once you have reviewed the options, and are ready to partner with us or have any questions, please contact Nicholas Bevilacqua, Coach Nick, at 786-586-6148 or you can email us at [itrikidsracing@gmail.com](mailto:itrikidsracing@gmail.com).

Kind regards,

Nicholas Bevilacqua
