November 2019

Ms. Taney: Lead Teacher
Mrs. Shore & Mrs. Warren: Teacher Assistants

What's Been Happening?

We have learned so much about the different seasons and the importance of leaves; what they do for trees, why they change color and their many different shapes and sizes. We also discussed community helpers; what a community helper is and the many jobs that they do. The classroom brought in socks and helped put together our Halloween door design. The children had a blast at the pumpkin patch while hunting for their perfect pumpkin. Thank you to everyone who attended.

Warmly,
Ms. Taney

It's November! What Are We Going To Do?

November is a month to be thankful. We will be sharing with the class the different things in our lives that we are thankful for. We will be learning about different kinds of food; which foods are healthy and which foods are not, as well as, how to make healthy food choices.

Letters of the Month:
