

Keystone State Quarter Midget Race Club

Track Rules and Regional Event Details

8/24-8/26/2018

TRACK RULES:

- ATVs, UTVs, golf carts, electric/gas powered scooters, skateboards, bicycles, RC Cars and Ripsticks are NOT permitted on the track or fire department property.
- NO smoking in the hot chute, staging or bleacher areas.
- NO climbing on the bleacher structures.
- NO fireworks.
- Pets are to remain in the trailer parking area. Pets are not permitted in the grandstands, staging area or food stand area. You are responsible for your pet(s). Please clean up after them. Dogs must be on a leash at all times.
- Children are NOT permitted on the judge's stand.
- KSQMRC or the Fire Department is NOT responsible for damages or injuries to a persons or their property.
- Anyone defacing, damaging, or destructing KSQMRC or Schnecksville Fire Department property will be subject to any and all related fees, prosecution and will be removed from the property and events.
- Security and staff have the right to remove any person from property for inappropriate conduct.
- Dispose of all trash in the appropriate receptacles located throughout the grounds. Please do not dispose of tires or oil on our property.
- NO parking in fire lanes or roadways.
- NO person (adult or child) is allowed on or around Fire Department/Track equipment including junked vehicles used for emergency practice sessions. Any person found violating this rule will be escorted from the event.
- Handlers and drivers including visiting handlers/drivers are required to sign a Zero Tolerance Policy.
- Wristbands must be worn in all racing areas (i.e., staging, hot chute, track surface). No one under the age of 16 is permitted in the hot chute.

- Please drive slowly on our property. No Tow Vehicles will be permitted to drive through the trailer pit area while races are underway. There will be designated parking for tow vehicles.
- No Open Fires unless held by KSQMRC or the Fire Department
- The Barn, Equipment, Pavilions, and anything not specifically related to the race track are strictly off limits at all times. Not obeying this could result in a request for the offender to leave the property.
- All Paved areas must stay clear of any vehicles, or equipment to allow safety vehicles access in case of emergency.

PREFERRED PARKING:

- Preferred Parking available at registration for additional cost (\$50.00) which will include 15 Amp Electric Service for the weekend.
- NO Generator use within this area
- NO Campers/RV's in this area
- *Generator parking is available outside of the preferred area.

CAMPING/RV PARKING:

- Participants may camp overnight
- NO Electric provided to Campers/RV'S. Generators are permitted to be used with campers as well as their trailers associated.
- Camper parking will be in a designated area not within the Preferred parking locations. (FYI, no generator use within the preferred parking areas as Electric is available in those areas)
- There is no dumping of sewage available or water hook up for campers.
