ISA (D) Petroleum & Power Automation Meet 2023

The Energy Sector in India is going through a rapid transformation primarily attributed to the digital revolution. As a result improving productivity, reducing waste, conserving energy, adopting latest regulations in emission, AI based adaptive maintenance, digital engineering & project management and remote commissioning has now become new expectations of the users to show improvements in the bottom line.

Keeping in view the needs of the ENERGY SECTOR i.e. OIL & GAS and POWER segment in India, ISA Delhi Section striving to bring forth the advantages of the Latest Transformative Trends in Automation Technology that is shaping up the way in the world of Instrumentation and Controls, Operations and Safety, Artificial Intelligence & Cyber Security, Energy Efficiency and the overall management of Electrical and Control System design.

ISA-Delhi Section (ISA-D) has resumed this Physical Event after a gap of THREE YEARS, to once again bring the expertise from both these segments through this most awaited Automation centric MEGA EVENT in the country. Once again, this will bring together all the stake holders i.e. the End users, Manufacturers, Integrators, Consultants, EPC companies, Research organizations and Academicians to facilitate contribution of fresh know-how in OIL & GAS as well as POWER Industry domain

ISA Delhi Section's Conference & Exhibition on **12th and 13th of May 2023 (Friday & Saturday) at Hotel Eros, Nehru Place, New Delhi**. The "PETROLEUM & POWER AUTOMATION MEET-2023" symposium plans to facilitate high-level interface among all the decision-makers of Petroleum and Power industry, wherein the concerns and prospects will be conferred in-depth.

The "PETROLEUM & POWER AUTOMATION MEET-2023" symposium will on one hand allow the conference delegates to understand & network with automation fraternity and discuss key issues. On the other hand, the domain experts of the industry shall share presentations and conduct workshops on best practices, case studies, new learnings, key solutions and technological developments together with Users & Producers. With an active participation of experienced professionals from India's leading organizations like IOCL, ONGC, GAIL, IGL, NTPC, BHEL, IFFCO, Cairn India, EIL, PDIL, Technip, Fluor, Bechtel, Topsoe, CB&I, HMEL, Petrofac, Tractebel Desein, Doosan, Toshiba, Honeywell, Emerson, Yokogawa, Siemens, L&T etc., we are absolutely sure that the forthcoming program would provide new concepts and insights for your business as well as professional needs.

THE CONFERENCE WILL COVER FOLLOWING TOPICS FOR TECHNICAL PAPERS PRESENTATION:

I - Industry 4.0 & Digitalization

- ❖ CRAZE: Cyber Resilient Automation with ZeroTrust Enabled
- ❖ Regulations, framework, compliance & application of Digitalization in Industrial Automation
- ❖ Technology Trends in Specialized Application e.g. Gas / LNG Processing, Exploration & Storage.

I - Innovation

- ❖ Cognitive Automation
- ❖ Technology Innovation in Power Production and Grid Management
- ❖ Digitization in Project Management

O - Operation

- ❖ Safe, Reliable, Affordable and Efficient Operation.
- ❖ Robotics for Efficient affordable operation e.g. RPA
- ❖ Application of AI / ML for Asset integration, Maintenance & Management.

T - Transformation

- ❖ Automation Excellence towards achieving Net Zero
- ❖ Sustainable Automation Trend - Geothermal, Hydropower, Renewable / Green Energy, Bio-Mass and other sources of Energy.
- ❖ Emerging Trends and Developments in Industrial automation

To leverage this conference to market, brand and showcase your products and services to reach out to **Decision Makers** from Control and Instrumentation, Projects, Operations and Maintenance, representing user Organization and Consultants, please look into the following opportunities.
