

# Canyon High School Baseball Donations

The Canyon Baseball program survives via family donations of money, time and energy. The local community has been extremely supportive as well. We ask for donations to help cover the numerous expenses that our program incurs. We also encourage all players/families to contact businesses in our community for sponsorships. Contact Coach Justin Stark if you would like to donate in another fashion.

*We periodically ask for volunteers of time, energy or professional expertise.*

**At no time will family donations or time invested in the program equate to playing time or making the team. All money, time or equipment should be donated for the betterment of the program and not individuals.**

## Donation requests for 2018-2019 season are ONE of the following:

- 6 donations of \$150 (appreciated in Aug, Sep, Oct, Nov, Dec & Jan)\*
- 3 donations of \$300 (appreciated in September, November & January) \*
- \$900 One time donation (appreciated in October)\*
- Sapphire sponsor of \$1,000 – sponsorships have a banner, website maintenance and associated costs; therefore, \$1,000 is the suggested per player amount.
- All sponsorships are appreciated and 80% of any sponsorship will be credited to that player, the additional 20% is used for the purchase and hanging of banners and maintenance of website advertisement.

**Cash** and **check** donations can be mailed to CHSBBA P. O. Box 1824, Canyon Country, CA 91386-1824. If paying via **PayPal**, please note we are charged 2.9% plus \$.30 = \$3.30 (approx.) per \$100.00, so please add that fee to your donation when paying online.

**\*Should suggested donations of \$42,300 not be received by November 15<sup>th</sup> we will be forced to eliminate some items starting with tournaments and other equipment.**

## Make donation checks payable to CHS Baseball Booster Association, Inc. (CHSBBA)

Our organization is tax-exempt under section 501 (c)(3) of the Internal Revenue code. As a result, all donations received are tax deductible and non-refundable.
