

Custodian Guardian

Year 17 message

Enjoyed the new year fireworks. You are an Environmental Vandal. Environmental Vandals do not deserve a good year! Environmental vandalism is a threat to people's well being and survival! Environmental Vandals are held accountable, **MS R7**. Replace fireworks with laser lights!

1 GOD is continuing holding people accountable for addictions, globalization, immorality, pollution, violence, waste, wealth apartheid. After previous warnings, 'Pulverization of Twin Towers N.Y. (World Trade Center)', Global Financial crises City of London (Brexit), Global Chinese pandemic (Wuhan), Climate Change (continues).... **1 GOD** wants 7 Tribes living in 7 Provinces and many Shires. Speaking 7 main languages and many dialects.

Year 'o' N-At-m (2004 pagan time) **1 GOD** had his latest message, **Law Giver Manifest**, proclaimed. Any one who has read it's prophesy, would not have been surprised at current events. The religions, cults, United Nations, Governments have failed! People are suffering, fighting for survival! Worship, governance need replacing!

Save the planet! End Wealth Apartheid! Support Community living!

Dump: outdated worship, selfishness, parasitic predatory profiteering, shopping non essentials, violence in entertainment, burning fossil fuel, corrupt governance, unearned income, estate of position, power, wealth!

Hold accountable: Climate change denier, polluter, profiteer, corruption, violent act, adulterer, fraud, theft,...

Hope followed by action: be non violent, not selfish, stop burning things, stop hoarding things, replace leisure time with volunteering, become a custodian guardian, embrace, live by the Law Giver Manifest !

Have a caring, sharing, volunteering year! 1 GOD is watching!
