Each student will partake in this event as it familiarized them with what USA gymnastics program partake in, when they attend competitions. Each student, that attends a recreational class, will learn a routine on each event and perform at the meet. Our programs are based on the national gymnastics federation's protocol for level based learning and progression for gymnastics.

We will also showcase our tumbling programs during this event. We like them to display what they have learned during their time here at Flip Tuck.

The fee for the meet is \$75.00 which includes a leotard for the Kindernastic and Recreational classes and tumbling uniform for tumbling classes. The fee also includes meet t-shirt & awards for the event. We are doing a Shirley Popcorn fundraiser to help families cover the cost of the meet fee. Fundraiser is from December 18, 2017 and returned to the gym by January 11, 2018. Information for the fundraiser is attached with this flyer. All forms are due by February 1st.
