NATIONAL PASTIME - Next Generation+ -- 2019 Card Set

The nicknames in this set are from The Players' Weekend 2019. If there is no nickname from the Players' Weekend, if available, a standard nickname is used.

The top 8 (Senior Circuit) or 9 (Junior Circuit) players listed are those players who played the most at each position of any other players on the team. These players are listed in a suggested batting lineup order.

The next section of names on each team are the starting pitchers listed by batters faced (descending order).

The next section are relievers. Usually the "closer" is listed first and then other relievers by batters faced (descending order).

The next section is a list of all other pitchers on the team listed alphabetically but with a designation such as (S)trarter, (R)eliever or (B)oth.

The last section of player names is made of the remaining players, dh's, pinch-hitters and runners. They are in alphabetical order.

At times you may notice that the same player is included with more than one team. Each player is carded for each team played for during the season. And, the player is rated based, of course, on the stats accumulated while playing for the team for which the card is listed and created.

Special Base Stealing in this set:

None in the Senior Circuit

Catchers who also pitched during the season (usually have "LS" on card where you normally expect the "PB" rating):

John Ryan Murphy	Ari	PB0	HPO	Bk0	WPO

Special Base Stealing Instructions

For the above player(s) ONLY, the manager must call the **base stealing attempt**. Roll the dice and using the player card under the line "Special Base Stealing", determine whether the runner is safe or out. Use the same chances when attempting to steal second OR third. The attempted steal of home is NOT allowed using this method. (Attempting a steal of 2nd, 3rd or Home IS allowed using the manager called base stealing in the NPNG+ board game AND The Board Reader.

If the runner is out and the attempt was at second, use the usual out scoring: If a right-handed batter (RHB), the caught stealing is scored **A-C PO-2B**; otherwise **A-C PO-SS**. If the caught stealing is at third, of course, the scoring would be **A-C PO-3B**.
