

DCCW Meeting, November 19, 2022

St Olaf's Parish, Bountiful

Report of San Francisco Province Director

I am very honored to be representing the Salt Lake Diocese in service to the San Francisco Province as Province Director. Your trust and confidence in me is greatly appreciated. I was installed Saturday, November 5th in the afternoon, right before the Salt Lake Bees presented their invitation to the 2023 Convention in Salt Lake City.

The Minneapolis Convention was wonderful, as it always is. We had sixteen in attendance, including President Voorhes and Secretary Kennedy. I can't tell you, often enough, how honored I am to be serving along such dedicated and effective leadership. The speakers and workshops were very interesting. I especially enjoyed Yen Fasano who spoke on "Knock, Knock.. Who's There?" reminding us that we need to open wide our hearts when God comes knocking. Are you ready to greet him? She also reminded us that the Greatest Love Story Ever Told is in the Eucharist.

In 2023 individual members, affiliates, deaneries, and dioceses will be voting for the offices of President Elect, Secretary, and seven nominating committee Members who will all be installed during the 2023 Convention here in Salt Lake City. December 15th is the deadline to receive those nominations. The Form link is below;

I have received notice on all membership dues that have expired or approaching expiration. Any Individual Member who thinks their time is approaching but you haven't received a notice from NCCW, please check your junk mail. They do end up there on occasion. If you don't know when it is due, you can log onto the NCCW website to check your status. I'd also be happy to check my list for you.

Your Sister in Christ,
Jeanne Audiss
San Francisco Province Director
