## Short and Sweet Update:

- 1) Six weeks of negotiations with Landlord.
- 2) Landlord agreed to a lease revision that will help us get through the pandemic and have the opportunity to recover and remain in business.
- 3) Stars Gymnastics was able to obtain a small Disaster Loan to help us with our lease payments for the next few months.
- 4) We are now planning to return to business and looking forward to seeing all of our wonderful students again.

## A Great Big Shout Out goes out to those of you who

- ★ Donated your tuition payments
- ★ Donated on our GoFundMe page
- ★ Volunteered your time
- ★ Emailed and Called with kind messages and moral support
- ★ Continued encouraging and motivating us to keep fighting to stay

Because of you, we were able to make it through the last couple months without moving out.

**We truly appreciate all of your support. We wouldn't have gotten this far without you**

## ... a complete loss...

- Due to our current financial state, being forced to start over & rebuild our business, there will not be any further refunds, credits, make up classes or any other form of compensation for the past/previous sessions. Everyone received the opportunity to receive make up classes in June & July for the March/April closure and state their preference for donations or refunds in the months in July & August for the closure in those months. Those options are no longer available.
- Unfortunately, we lost everything in the past few months, due to Covid-19 and the mandated closures. As you know, we literally had set a move out date, turned off utilities and packed up much of our facility. It wasn't until then, that our landlord decided to work with us.

**This is a new beginning & a fresh start for Stars Gymnastics.**

**We honestly just feel lucky to have the opportunity to be here and continue serving our community.**

**Thank you for your understanding.**

We are lucky to have you

So many of our students and their families have been here with us and for us throughout this entire ordeal. I can't thank you enough. Your participation, emails, phone calls and willingness to stick it out with us as we struggle together through the pandemic means so much to me and all of the Stars coaches. Thank you so much!
