## ENTRIES DUE MARCH 9, 2018

This year's Clemson Music Festival is **April 20-28, 2018**, and this year it celebrates its 7th Anniversary! To commemorate this, we are looking for a piece of art that embodies the theme of this year's festival: "Lucky 7". The number "7" is considered by some to be lucky, and it is especially important to blues music in particular. With this in mind, we are looking for our entries this year to celebrate these two ideas. This could be through 4-leaf clovers, horseshoes, and the like (no bad luck, please!)—we want to see where your creativity takes you! The winning piece will be selected for festival posters, brochures, and more. All entries can be put on display at the Pickens County Museum.
